Disease-Related Functional Glycomics
Japan
Core Institution: Osaka University
Human disease-related functional glycomics initiative
Compensatory Consortium : HGPI
Young Scientist Exchange
Young Scientist Exchange
Next Generation Biomarker
USA
Core Institution : The Scripps Research Institute
"Biomarker"
Matching Fund : NIH
Germany
Core Institution : German Cancer Research Center
"Bioinformatics"
Matching Fund : European Commision
Young Scientist Exchange
Identification of Biomarker Based on Glycomics
Computational Modeling & Bioinformatics
