JAPAN SOCIETY FOR THE PROMOTION OF SCIENCE

Japan Society for the Promotion of Science, JSPS, invites the next generation of researchers listed below, based on recommendation from editors of NPG Nature Asia-Pacific, as well as the speakers and panelists for active discussions in the Forum. JSPS hopes that these excellent young scientists would be to shoulder the future of science and technology advances in Asia-Pacific region.

JSPS

Name	Institution	Title	Session	Country
Dr Yamuna Krishnan	NCBS, Bangalore	Researcher	Molecular biology & biotechnology	India
Dr Sanjeev Galande	National Centre for Cell Science,	Scientist	Molecular biology & biotechnology	India
Dr Shekhar C. Mande	Centre for DNA Fingerprinting and Diagnostics	Researcher	Molecular biology & biotechnology	India
Dr Sriram Vishwanath	National Centre for Biological Sciences	Young Investigator	Molecular biology & biotechnology	India
Dr Chan Kok Gan	University of Malaya	Lecturer	Molecular biology & biotechnology	Malaysia
Dr Hai-Long Zhang	University of Science & Technology Beijing	Associate Professor	Nanotechnology	China
Dr Nirmal Prabhakar	National Physical Laboratory, New Delhi	Researcher	Nanotechnology	India
Dr Jaydeep K. Basu	Department of Physics, Indian Institute of Science	Assistant Professor	Nanotechnology	India
Dr Hiroshi Imahori	Kyoto University	Professor	Nanotechnology	Japan
Dr Kaori Kuribayashi	The University of Tokyo	JSPS Research Fellow (SPD)	Nanotechnology	Japan
Dr Aya Sakaguchi	Nagoya University	JSPS Research Fellow (SPD)	Nanotechnology	Japan
Dr Seunghun Hong	Seoul National University	Associate Professor	Nanotechnology	Korea
Dr Huizhen Sheng	Shanghai Jiao Tong University, School of Medicine	Professor	Stem cell	China
Dr Shaorong Gao	National Institute of Biological Sciences, Beijing	Principal Investigator, professor	Stem cell	China
Dr Duanqing Pei	Chinese Academy of Sciences,	Deputy Director General	Stem cell	China
Dr Anjalis S. Shiras	National Centre for Cell Science	Researcher	Stem cell	India
Dr Hossein Baharvand	Department of Stem Cell, Royan Institute	Head	Stem cell	Iran
Dr Shinya Yamanaka	Kyoto University	Professor	Stem cell	Japan
Dr Mi-Sook Chang	Seoul National University	Assistant Professor	Stem cell	Korea
Dr Kye-Seong Kim	Hanyang University College of Medicine	Associate Professor	Stem cell	Korea
Dr Chia-Ning Shen	Genomics Research Center, Academia Sinica	Researcher	Stem cell	Taiwan.
Dr Suradej Hongeng	Ramathibodi Hospital	Associate Professor	Stem cell	Thailand
