

JSPS Bilateral Joint Projects/Seminars FY2010 CALL FOR PROPOSALS (February Application Round)

Notes:

- (1) This "FY2010 Call for Proposals" is an English translation of the official announcement in Japanese. Applicants should observe the accompanying Japanese Application Guidelines (http://www.jsps.go.jp/j-bilat/semin/nikokukan_boshu2.html).
- (2) This "FY2010 Call for Proposals" provides the application guidelines on the JSPS side. Please consult with JSPS's counterpart organizations about application guidelines for counterpart countries. (Please refer to the Section 16 for their contact information.)

1. Program outline

The Japan Society for the Promotion of Science (JSPS) carries out bilateral cooperative programs between Japan and counterpart countries based on agreements concluded with academies, research councils and other science-promotion organizations in those countries.

The aim of these programs is to form sustained networks evolved from individual scientist exchanges including young scientists. JSPS provides financial support to Japanese scientists implementing such bilateral joint projects and seminars between research teams from Japan and counterpart countries.

2. Counterpart countries in this application round

Regions	Countries	Counterpart organizations	Activity types	Maximum number to be selected(*)	Subject areas
Asia	Korea	National Research Foundation of Korea (NRF)	Joint Projects	31 (26 new, 5 ongoing)	*Please refer to section 16.
			Joint Seminars	11	

	Vietnam	Vietnamese Academy of Science and Technology (VAST)	Joint Projects	2	Humanities, Social Sciences, Natural Sciences
Europe	Belgium	Fonds de la Recherche Scientifique - FNRS (FNRS)	Joint Projects	2	Humanities, Social Sciences, Natural Sciences
	Finland	Academy of Finland (AF)	Joint Projects	4	The Future of Living (http://www.jsps.go.jp/english/e-bilat/data/FinlandBiCore_attach.pdf)
			Joint Seminars	2	Humanities, Social Sciences, Natural Sciences

* The number of applications selected may change due to the budgetary situations and/or other conditions of JSPS and its counterpart organizations.

3. Eligibility of Japanese applicants

Applicants must hold a full-time or equivalent position as a researcher at a university or research institute in Japan.

(Eligible institutions are listed at: <https://www-kokusai.jsps.go.jp/jsps1/kikanList.do> (Posted only in Japanese.))

4. Other conditions

* Please also refer to Section16, "Instructions for individual countries."

Activities Terms	Joint Projects	Joint Seminars
Participants from Japan	Researchers conducting research at research institutions in Japan (including postdoctoral researchers and students in doctoral and master courses who are sufficiently capable and experienced to carry out such projects/seminars)	
Participants from counterpart country	Researchers at a university or research institute under the jurisdiction of counterpart organization in subject country	
Participants from third countries	Researchers from third countries may participate in projects/seminars under the condition that they cover their own expenses.	

Others	With the exception of fieldwork or presentation of research reports on the joint project in an international conference, travel costs to third countries are not covered.	Seminars are to be held either in Japan or the counterpart country.
--------	---	---

* Each applicant is allowed to submit only one application to each counterpart organization.

*Researchers who are already serving as principal investigator in Bilateral Programs (Joint Research Project/Seminar) on the starting day of this application round are not allowed to apply for Joint Research Project/Seminar with the same counterpart organization.

5. Expenses supported by JSPS

*Please also refer to Section 16, "Instructions for individual countries."

JSPS consigns the administration of projects to the Japanese project/seminar leader's affiliated institution. However, JSPS does not pay the institution a consignment fee. JSPS covers the following expenses of researchers on the Japanese team:

(1) Joint Projects

International travel	<ul style="list-style-type: none"> • International airfare between Japan and counterpart country • Maintenance allowance(*)
Domestic travel	Domestic travel expenses for members of Japanese team
	Domestic travel expenses and maintenance allowance for scientists of counterpart country during their stay in Japan(**)
Research expenses	Consumables, honoraria, printing, communication, meeting expenses, etc.

(*) Counterpart organization may provide maintenance allowance for Japanese scientists during their stay in its country when such arrangement has been mutually agreed upon.

(**) Provided only when JSPS and counterpart organization have agreed upon such arrangement.

(2) Joint seminars held in Japan

Domestic travel	Domestic travel expenses for members of Japanese team
	Domestic travel expenses and maintenance allowance for scientists of counterpart country during their stay in Japan(*)
Seminar expenses	Consumables, honoraria, printing, communication, meeting expenses, reception, excursion etc.

(*) Provided only when JSPS and counterpart organization have agreed upon such arrangement.

(3) Joint Seminar held in counterpart country

International travel	<ul style="list-style-type: none"> • International airfare between Japan and counterpart country • Maintenance allowance(*)

6. Application procedure at JSPS

JSPS receives applications via its on-line application system. For details, please refer to http://www-shinsei.jps.go.jp/topkokusai/top_kokusai.html (Posted only in Japanese.)

Deadline: Wednesday 17 February 2010

* Please note that applicants' affiliated institutions may set earlier deadlines.

7. Other instructions

- (1) Project/seminar leaders in counterpart countries are to submit their applications to JSPS's counterpart organization in their country. For further instruction, please refer to Section 16.
- (2) The Japanese project/seminar leader is not allowed to hold a collateral position as a coordinator, research representative, or chief seminar organizer under following JSPS programs: JSPS Core-to-Core Program, Asian CORE Program, AA Science Platform Program, Core University Program, A3 Foresight Program, International Training Program (ITP), Japanese-German Graduate Externship, or International Research Experience for Students.
- (3) Researchers who are now or have been supported under any of JSPS's international programs in the past 5 years are required to describe the results or expected results of that research activity and, if any, its relevance to project/seminar being applied for.

8. Selection criteria under JSPS's review procedure

The following criteria are utilized in the selection process:

- Scientific excellence of projects/seminars

- Necessity of cooperation, added value gained, and mutual research advancement through transfer of knowledge and expertise
- Impact of outcomes on improving the quality of life, contributing to socioeconomic development, and/or solving prevailing societal issues
- Participation of young researchers and contribution to fostering them
- Feasibility and concreteness of the research plan and expectation of its advancing the research

In addition to the above criteria, the following points are also considered:

- Contribution to researcher interaction in advancing the research during the project/seminar. (50% or more of total funding should be allocated to international/domestic travel.)
- Appropriateness of the budget plan
- Appropriateness of the venue in case of seminar

※ For Korea, please see Section 16, "Instructions for individual countries."

9. Selection procedure

JSPS and counterpart organizations conduct separate reviews of the applications they receive. Based on these review results, they make joint selections.

* Procedures may differ from country to country. Please refer to Section 16, "Instructions for individual countries."

10. Post-selection funding request to JSPS

Upon selection, Japanese project/seminar leaders must submit an implementation plan and funding request using the prescribed form. JSPS will make funding allocations based on these documents and/or its budgetary condition.

11. Obligation of Japanese project/seminar leaders and their affiliated institutions

- (1) Project funds allocated by JSPS are to be administered by the institution with which JSPS concluded an agreement and to which the project/seminar leader is affiliated.
- (2) Project/seminar leaders must submit a report by the designated due date, which will be given public access, according to instructions by JSPS.
- (3) Due acknowledgement of support by JSPS and counterpart organizations should be made in any publication resulting from the projects/seminars.

12. Measures against misuse of research funds, etc.

JSPS will take appropriate measures (e.g. terminate project/seminar, require

reimbursement of part or all of allocated funds) in cases of misuse of research funds, improper practices (e.g. fabrication, falsification, plagiarization), unjustifiable acts (e.g. discrimination, harassment), or violation of laws.

13. Handling of personal information

Personal information provided by applicants will be handled according to the "Act for the Protection of Personal Information Retained by Independent Administrative Institutions" and JSPS's "Personal Information Protection Policy", and be used solely for the purpose of implementing the program.

The names and affiliations of the project/seminar leaders, project/seminar titles and reports may be disclosed on JSPS's website and in its publications.

14. Others

- (1) JSPS will not bear responsibility for any injury, sickness or accident incurred during travel related to the projects/seminars.
- (2) Project/seminar leaders on both sides are obligated to ensure the protection and proper distribution of intellectual property resulting from projects/seminars, in accordance with the laws and regulations of their countries.
- (3) JSPS does not support any research project related to military affairs.

16. Instructions for individual countries

〈Korea (NRF)〉

- Based on an agreement with NRF, JSPS will cover the costs of the Japanese team, and NRF will cover the costs of the Korean team. Costs associated with holding seminars will be covered by the receiving side.
- Please use the application form prescribed for Joint Projects/Seminars with NRF.
- The Korean team leaders are to submit an application to NRF. Applications submitted by one side only will not be accepted. Japanese/Korean team leaders should, therefore, be sure that their counterpart submits a matching application. Please also note that applications on the both sides must contain the same contents.
- “Ongoing projects” means those projects adopted in FY 2008. In making these applications, the principal investigators and main participants must be the same in each country as in the current project and the continuing research plan must indicate what further progress is expected based on what has been made achieved in the current project.
- In the case of applications for ongoing projects, place a circle (○) on “Ongoing” in the “Duration of Project” column on page 1 of the application form.
- For ongoing projects, the following screening criteria is added to the panel review: (1) reason for continuation and (2) continuity between the “research objectives,” “expected results,” and “research plan” stated in the FY2008 application form and those aspects in the project’s final report.
- After finishing their joint projects/seminars, Japanese/Korean team leaders must submit their reports in English.
- Subject Areas are as follows;
 - Mathematics & Physics
 - Chemistry & Material Science
 - Biology
 - Informatics & Mechatronics
 - Geo-Science & Space Science
 - Medical Science
 - Humanities & Social Sciences (including interdisciplinary fields)
