

# **. JAPANESE LANGUAGE TRAINING**

JSPS Postdoctoral Fellows may take Japanese language training with financial support from JSPS. Japan International Science and Technology Exchange Center (JISTEC) is in charge of the clerical procedures for Japanese language training. Fellows who wish to take Japanese language training should contact JISTEC. Details are as follows.

## **A . PURPOSE**

Acquisition of Japanese proficiency necessary for life in Japan.

## **B . Eligible Fellows are those who need Japanese language training and meet either one of conditions stipulated below.**

1. Fellows who will stay in Japan for the first time.
2. Fellows who have stayed in Japan less than 12 months before.

## **C . TRAINING PROGRAM**

### **1. Content**

Fellows need to describe content in the Application for Admission to a Japanese Language Training Course, which must be submitted in advance. No change is allowed after submission.

### **2. Schools/tutors**

Japanese schools or tutors approved by JSPS

### **3. Period of Training**

Within the tenure of the fellowship

### **4. Fee**

150,000 yen or less

## **D . PROCEDURE**

### **1. Documents for submission**

**Fellows are required to submit the below documents to JISTEC through their host researchers.**

- a. When training will be received at a Japanese language school:

- . Application for Admission to a Japanese Language Training Course (Form 14)
- . Brochure of the school (copy) (including tuition fee, admission fee, etc.)

b. When training will be received by a tutor:

- . Application for Admission to a Japanese Language Training Course (Form 14)
- . Certificate of Japanese teaching qualification and curriculum

## **2. Deadline for application**

Two weeks before the start of training.

## **3. Confirmation**

After all the necessary documents are submitted, JISTEC will inform the Fellow, his/her host researcher and the school or tutor whether the training has been approved.

## **D . PAYMENT**

The Japanese school or tutor shall submit bills directly to JISTEC. A form is prepared for private tutors. JISTEC pays the cost of the training directly to the Japanese school or tutor.

## **E . NOTES**

1. Before beginning the application procedure, Fellows shall inform JISTEC of their intention to take Japanese language training.
2. JSPS does not pay fees for any training received before its approval.
3. Fellows who desire the information about appropriate schools and tutors should contact JISTEC.
