Host Researcher's Information

Institute	
Name	Dr

Fellow's Information

Name			
ID No.	Tenure Beginning	Gender	
Adopted by			
Nationality			
Field			

1. How did you become acquainted with the fellow.

- Through another researcher Through an academic society or other group
 The fellow was a student in my lab Through a self-introduction by the fellow
 Other

--

2. What is the primary motive for your participation in the program? Choose one answer only.

- To advance research in my lab
 To create an international environment in my lab
 To provide impetus for initiating research with overseas researchers
 To meet the fellow's request to be a postdoctoral fellow at my lab

Other

--

3. Did JSPS's pre-departure information (e.g., "Program Guidelines" "Air Ticket Application Information" "Life in Japan for Foreign Researchers") provide you a clear description of the steps you needed to take after the fellowship was awarded?

- Yes No

If you chose 'No', why?

--

4. Please let us hear your opinions or requests on JSPS's support (e.g., our system, the procedure of the daily management, our services, etc.) for each stage of the fellowship tenure.

(1) From the application to the adoption

--

(b) From the adoption to the end of your tenure

(3) After your tenure ends

5. How do you evaluate the degree to which the fellow achieved his/her research objective?

- Beyond expectation Fully accomplished Satisfactory **Unsatisfactory**

If you chose '**Unsatisfactory**', why?

6. How did hosting a fellow under this program influence your institution? More than one answer may be checked.

- Contributed to advancing research in my lab
 Contributed to advancing joint research or other researchers in my lab
 Contributed to creating an international environment in my lab
 Provided impetus for initiating joint research with overseas researchers
 No particular change occurred

Other

7. Do you intend to continue collaborative research with the fellow after his/her fellowship ends?

Have already/am planning

Would like to create opportunities

If a favorable opportunity arises

Not interested

If you have **a plan or are planning** to initiate joint work with Japanese researchers, please briefly explain.

10. What should we do to make Japan more attractive toward foreign researchers?

Let us hear your voice!

Thank you very much for your kind cooperation!
