Your Previous Appointment and Status	<input type="checkbox"/> PhD Student <input type="checkbox"/> Postdoctoral Researcher <input type="checkbox"/> Lecturer <input type="checkbox"/> Research Associate/Assistant <input type="checkbox"/> Associate/Assistant Professor <input type="checkbox"/> Other	

1. How did you learn about the program? More than one answer may be checked.

- Through JSPS announcement: Website
 Poster/pamphlet
 Advertisement by a JSPS overseas office
- From my Japanese host researcher
- From my current advisor or colleague
- From a previous fellow
- Through an announcement by an overseas nominating authority
- Other

2. What is the primary motive for your participation in the program? Choose one answer only.

- To gain specific knowledge related to my current research
- To work with a particular researcher or at a particular lab
- To work in a particular research project
- To acquire international research experience
- Other

3. Did JSPS's pre-departure information (e.g., "Program Guidelines" "Air Ticket Application Information" "Life in Japan for Foreign Researchers") provide you a clear description of the steps you needed to take after the fellowship was awarded?

- Yes No

If you chose 'No', why?

--

4. Please let us hear your opinions or requests on JSPS's support (e.g., our system, the procedure of the daily management, our services, etc.) for each stage of the fellowship tenure.

(1) From the application to the adoption

(b) From the adoption to the end of your tenure

(3) After your tenure ends

5. How do you evaluate the degree to which you achieved your research objective?

Beyond expectation Fully accomplished Satisfactory **Unsatisfactory**

If you chose '**Unsatisfactory**', why?

6. Do you intend to continue collaborative research with your Japanese colleagues after finishing the fellowship?

Have already/am planning

Would like to create opportunities

If a favorable opportunity arises

Not interested

If you have **a plan or are planning** to initiate joint work with Japanese researchers, please briefly explain.

7. Have you participated in the Science Dialogue? Yes, () time(s) **No**

If you chose '**No**', why haven't you participated in the Science Dialogue program?

Didn't know about the program

Knew about the program, but not interested

Knew about the program, but too busy to participate

Registered to participate, but not called upon by JSPS

Called upon by JSPS, but too busy to accept

Other

8. Have you ever thought that you should have chosen another country other than Japan during your tenure? If so, which and why?

9. Have you ever thought that you should have chosen another fellowship during your tenure? If so, which and why?

10. What should we do to make Japan more attractive toward foreign researchers?

Let us hear your voice!

Thank you very much for your kind cooperation!
