E-mail Address:

The information provided above may be given to the JSPS alumni association.

Yes **No**

You may be assured that the information you provide will be used solely for compiling the alumni database, not for any other purpose.

JSPS Alumni Follow-Up Activities

Over the past 20 years, more than 6,000 researchers from all over the world have come to Japan under the JSPS Postdoctoral Fellowships for Foreign Researchers Program. Considering those former fellows to be valuable assets in advancing research between Japan and its counterpart countries, JSPS places great importance on follow-up activities aimed at retaining contact and communication with and among them.
