Note: Please submit a research report to JSPS through your host researcher within one month after the expiration of your Fellowship.

NOTES FOR WRITING RESEARCH REPORT

- 1 . Please prepare a research report in English that is 5 to 10 pages in length.
- 2 . Items to be included:
 - a) Outline of your scientific activities in Japan:
experiments, discussions, research trip, etc.
 - b) A list of papers you published during the period of your Fellowship, and names of the journals in which they appeared. Attach a copy of each article, if available.
 - c) Comments and suggestions to JSPS, especially concerning the Fellowship Program.
 - d) Other comments.
