NOTES FOR WRITING THE RESEARCH REPORT

Please prepare your Research Report in English or Japanese written within three to four pages in length.

1. Items to be included:
 - (a) Outline of academic activities
Discussions, lecture tour, etc.
 - (b) Impressions and thoughts on the present state of science in Japan in your field
 - (c) Comments or suggestions to JSPS, especially concerning the Fellowship program
 - (d) Other comments
2. If available, please attach photographs of yourself taken during your academic activities, such as experiments, discussions or research trips in Japan.
3. You are requested to submit this Research Report within one month of the end of your fellowship in Japan through your host researcher.
