

## Global 30 Symposium ~ for its Further Development ~

MEXT has implemented the Global 30 project, which aims to promote internationalization of universities such as developing degree programs conducted in English and accepting excellent international students.

In order to contribute to internationalization of universities in Japan by sharing the outcomes of this project and understanding the challenges for further development, as follow-up, MEXT will hold the Global 30 Symposium.

1. Date/Times: Tuesday, February 26, 10:00 – 16:00
