Youthful brilliance  
scintillates  
in summer Japan

**JSPS** 日本学術振興会  
Japan Society for the Promotion of Science

The Japan Society for the Promotion of Science [JSPS] operates as an independent administrative institution to perform the following main functions: fund scientific research, foster researchers, promote international scientific exchange, and advance university reform.

# Summer Program in Japan Research Opportunities

サマー・プログラム  
夏

2012

The JSPS Summer Program provides opportunities for young pre- and post-doctoral researchers from North America and Europe to receive an orientation on Japanese culture and research systems and to pursue research under the guidance of host researchers at Japanese universities and research institutes over a period of two months during the summer.

## Schedule

Jun	12, Tue	Arrival in Japan
	13, Wed – 18, Mon	Orientation at Sokendai * Japanese language lesson & culture experience * Poster presentations * Homestay (2 nights)
	19, Tue – Aug 20, Mon	Research experience at host institutions
Aug	21, Tue	Research report presentations in Tokyo
	22, Wed	Departure from Japan

## Eligibility

Master's/ doctoral students and postdoctoral researchers from the US, the UK, France, Germany and Canada.

## How to Apply
