

**JSPS Bilateral Joint Research Projects/Seminars  
FY2014 CALL FOR PROPOSALS  
(September Application Round)**

Notes:

- (1) This “FY2014 Call for Proposals” is an English translation of the official announcement in Japanese. Applicants should observe the accompanying Japanese Application Guidelines ([http://www.jsps.go.jp/j-bilat/semina/shinsei\\_bosyu.html](http://www.jsps.go.jp/j-bilat/semina/shinsei_bosyu.html)). If there should be any differences between the original Call for Proposals in Japanese and its translation into English, the original Japanese text is valid.
- (2) This “FY2014 Call for Proposals” provides the application guidelines on the JSPS side. Please consult with JSPS’s counterpart organizations about application guidelines for counterpart countries. (Please refer to “16. Instructions for individual countries” for their contact information.)

## 1. Program outline

The Japan Society for the Promotion of Science (JSPS) carries out bilateral cooperative programs between Japan and counterpart countries based on agreements concluded with academies, research councils and other science-promotion organizations in those countries.

The aim of these programs is to form sustained networks evolved from individual scientist exchanges including young scientists. JSPS provides financial support to Japanese scientists implementing such bilateral joint research projects and seminars between research teams from Japan and counterpart countries.

## 2. Counterpart countries in this application round

*<Countries with JSPS counterpart agreements eligible for September 2013 round>*

Africa	Egypt (MOSRT), Kenya (NCST), South Africa (NRF), Tunisia (MHESR)
Asia	China (CAS, CASS, MOE, NSFC), India (DST), Indonesia (DGHE, LIPI), Singapore (NUS), Thailand (NRCT), Vietnam (VAST)
South America	Brazil (CAPES)
Oceania	New Zealand (RSNZ)
Europe	Austria (FWF), Belgium (F.R.S.-FNRS, FWO), Czech Republic (ASCR), Finland (AF), France (CNRS, Inria, Inserm, MAE), Germany (DAAD, DFG), Hungary (HAS), Italy (CNR), Netherland (NWO), Poland (PAN), Russia (RFBR), Slovenia (MIZS), Sweden (STINT)

1. Please note that some counterpart organizations limit the fields of application. Please refer to Section 16, "Instructions for individual countries" for more details including the fields of projects/seminars and number to be funded.
2. Please apply in the February round for Bilateral Joint Research Projects/Seminars which are not recruited in the September application round. Please refer to "3. Potential counterpart countries in the future application round".
3. Each applicant is allowed to submit only one application per counterpart country.
4. While all counterpart countries eligible for this round are also eligible for "Bilateral projects and seminars with countries/areas regardless of agreements with JSPS", we encourage that applications to be submitted towards this call.
5. Applicants who will already be conducting a Bilateral Joint Research Project/Seminar on the starting date of the projects/seminars in this application round may not apply for a Joint Research Project/Seminar with the same counterpart country.

### **3. <Reference only> Potential counterpart countries in the future application round**

Detailed information on bilateral joint research projects/seminars with the below-listed countries (counterpart organizations) will be posted on JSPS's website later in the year (2013).

<http://www.jsps.go.jp/english/e-bilat/main.html>

Regarding the new scheme for bilateral joint research projects/seminars with countries/areas regardless of agreements with JSPS, JSPS only supports the expenses of the Japanese teams. Counterpart researchers are encouraged to secure matching funds from sources in their own countries.

#### *<Countries eligible for the future application round>*

Counterpart countries	Organization	Deadline (tentative)
1) Bilateral Cooperation based on the agreement with JSPS		
Korea (Joint Research Projects and Seminar)	National Research Foundation of Korea: NRF	February, 2014
Bangladesh(Joint Research Projects)	University Grants Commission	September, 2014
2) Bilateral projects and seminars with countries/areas regardless of agreements with JSPS * As this funding can be only used to support the Japanese researchers, the team leader in the other country is recommended to obtain matching funds from the counterpart country or agencies. Please note that whether the team leader has obtained funding may be considered in the selection process.		February, 2014

### **4. Eligibility of Japanese applicants**

Applicants must hold a full-time or equivalent position as a researcher at a university or research institute in Japan that is eligible to receive Grants-in-Aid for Scientific Research - KAKENHI.

## 5. Other conditions

\* Please also refer to “16. Instructions for individual countries”

Activities Terms	Joint Research Projects	Joint Seminars
Participants from Japan	Researchers conducting research at research institutions in Japan (including postdoctoral researchers and students in doctoral and master courses who are sufficiently capable and experienced to carry out such projects/seminars)	
Participants from counterpart country	Researchers at a university or research institute under jurisdiction of counterpart organization in subject country (please refer to “16. Instructions for individual countries”)	
Participants	No limitation on number of participants. Researchers who belong to institution/organization in third countries are not allowed to participate.	No limitation on number of participants; Researchers from third countries may participate in seminars under the condition that they cover their own expenses. For seminars with China, participants from the third country should not exceed 25% of total number of participants.
Duration	Project durations differ with each JSPS's counterpart organization. Please refer to “16. Instructions for individual countries.”	Within continuing 1 week
Others	With the exception of fieldwork or presentation of research reports on Joint Research Projects in an international conference, travel costs to third countries are not covered.	Seminars are to be held either in Japan or the counterpart country.
	Applications submitted to both JSPS and its counterpart organization by the deadlines.	

## 6. Expenses supported by JSPS

\*Please also refer to “16. Instructions for individual countries.”

JSPS consigns the administration of projects to the Japanese team leader’s affiliated institution. When using funds, please follow JSPS’s rules. However, JSPS does not pay the institution a consignment fee.

JSPS covers the following expenses of researchers on the Japanese team:

### 1) Joint research projects

International travel	International airfare between Japan and counterpart country
	Maintenance allowance(*)
Domestic travel	Domestic travel expenses for members of Japanese team
	Domestic travel expenses and maintenance allowance for researchers of counterpart country during their stay in Japan(**)
Other expenses	Consumables, honoraria, printing, communication, meeting expenses (in Japan), etc.

(\*) Counterpart organization may provide maintenance allowance for Japanese researchers during their stay in its country when such arrangement has been mutually agreed upon.

(\*\*) Provided only when JSPS and counterpart organization have agreed upon such arrangement.

(\*\*\*)It is recommended that more than 50% of total funding should be used for international/domestic travel.

## 2) Joint seminars held in Japan

Domestic travel	Domestic travel expenses for members of Japanese team
	Domestic travel expenses and maintenance allowance for researchers of counterpart country during their stay in Japan(*)
Meeting expenses	Consumables, honoraria, printing, communication, meeting expenses, reception, excursion, etc.

(\*) Provided only when JSPS and counterpart organization have agreed upon such arrangement.

## 3) Joint seminars held in counterpart country

International travel	International airfare between Japan and counterpart country
	Maintenance allowance (*)
Following expenses incurred in Japan	
Domestic travel	Domestic travel expenses for members of Japanese team (for preparatory meeting and/or debriefing held in Japan)
Meeting expenses (**)	Consumables, honoraria, printing, communication, meeting expenses (for preparatory meeting and/or debriefing), etc.

(\*) Counterpart organization may provide maintenance allowance for Japanese researchers during their stay in its country when such arrangement has been mutually agreed upon.

(\*\*) Costs for holding the seminars are to be covered by the counterpart organization.

## 7. Application procedure at JSPS

JSPS receives applications via its online application system. For details, please refer to [http://www-shinsei.jsp.go.jp/topkokusai/top\\_kokusai.html](http://www-shinsei.jsp.go.jp/topkokusai/top_kokusai.html) (Posted only in Japanese.)

**Period for Acceptance: Monday 2<sup>nd</sup> September to Thursday 12<sup>th</sup> September , 2013**

\* Please note that applicants' affiliated institutions may set earlier deadlines.

\*\*Under no circumstances will JSPS accept applications submitted after the deadline.

## 8. Other instructions

- (1) Team leaders in counterpart countries are to submit their applications to JSPS's counterpart organization in their country. For further instruction, please refer to Section 16..
- (2) The Japanese team leader is not allowed to hold a collateral position as a coordinator, research representative, or chief seminar organizer under following JSPS programs: G8 Research Councils Initiative for Multilateral Research Funding, Japanese-German Graduate Externship, JSPS Core-to-Core Program, Asian CORE Program, AA Science Platform Program, A3 Foresight Program, International Training Program (ITP), Institutional Program for Young Researcher Overseas Visits, and Young Researcher Overseas Visits Program for Vitalizing Brain Circulation.
- (3) Researchers who are now or have been supported under any of JSPS's international programs in the past 5 years are required to describe the results or expected results of that research activity and, if any, its relevance to the project/seminar being applied for.

## 9. Selection criteria for JSPS review

The following criteria are utilized in selection process:

- Scientific excellence of projects/seminars

- Necessity of cooperation, added value gained, and mutual research advancement through transfer of knowledge and expertise
- Impact of outcomes on improving the quality of life, contributing to socioeconomic development, and/or solving prevailing social issues
- Participation of young researchers and contribution to fostering them
- Feasibility and concreteness of the research plan and expectation of its advancing the research

In addition to the above criteria, the following points are also considered:

- Contribution to researcher interaction in advancing the research during the project/seminar. (<Only for the joint research projects> It is recommended that more than 50% of total funding should be used for international/domestic travel.)
- Appropriateness of the budget plan
- Appropriateness of the venue in case of seminar

## **10. Selection procedure**

(1) JSPS and counterpart organizations conduct separate reviews of the applications they receive. Based on these review results, they make joint selections.

(2) Selection results can be confirmed on JSPS online application system.

\* Procedures may differ from country to country. Please refer to “16. Instructions for individual countries.”

## **11. Post-selection funding request to JSPS**

Upon selection, Japanese team leaders must submit an implementation plan and funding request using the prescribed form. JSPS will make funding allocations based on these documents and/or its budgetary condition.

## **12. Obligation of Japanese team leaders and their affiliated institutions**

(1) Project funds allocated by JSPS are to be administered by the institution with which JSPS concluded an agreement and to which the team leader is affiliated.

(2) Team leaders must submit a report by the designated due date, which will be given public access, according to instructions by JSPS.

(3) Due acknowledgement of support by JSPS and counterpart organizations should be made in any publication resulting from the projects/seminars.

## **13. Measures against misuse of research funds and handling of personal information, etc.**

(1) JSPS will take appropriate measures (e.g. terminate project/seminar, require reimbursement of part or all of allocated funds) in cases of misuse of research funds, improper practices (e.g. fabrication, falsification, plagiarization), unjustifiable acts (e.g. discrimination, harassment), or violation of laws.

(2) Personal information provided by applicants will be handled according to the “Act for the

Protection of Personal Information Retained by Independent Administrative Institutions” and JSPS’s “Personal Information Protection Policy,” and be used solely for the purpose of implementing JSPS programs.

The names and affiliations of the team leaders, project/seminar titles and reports may be disclosed on JSPS’s website and in its publications.

#### **14. Others**

- (1) JSPS does not support any research project related to military affairs.
- (2) JSPS will not bear responsibility for any injury, sickness or accident incurred during travel related to the projects/seminars.
- (3) Team leaders on both sides are obligated to ensure the protection and proper distribution of intellectual property resulting from projects/seminars, in accordance with the laws and regulations of their countries. It is requested that the team leader’s home institution set certain rules on attribution of intellectual property.
- (4) JSPS does not support the issuing of visas or the arrangement of the accommodations related to bilateral joint research projects/seminars.
