

World Research Hub Network on Si Photonics

Prof. Klmerling Prof. Wada Prof. Baet

1st intern. Conference on Si Photonics

JSPS Core-to-Core Program
2nd INTERNATIONAL CONFERENCE ON SILICON PHOTONICS
 Massachusetts Institute of Technology, Cambridge, USA
 January 22, 2010

North America Core Center Lionel C. Kimerling (MIT)
 Europe Core Center Roel Baets (Ghent Univ.)
 Japan Core Center Kazumi Wada (Univ. of Tokyo)

Web Site

 Paper Submission and Registration (Free)
 Deadline: Jan. 8, 2010
 E-mail to: kwada@material.t.u-tokyo.ac.jp (Kazumi Wada)

<http://www.microphotonics.material.t.u-tokyo.ac.jp/core-to-core/VIDEO-1st-Int-Conf-Si-Photon.html>

- to enhance the collaborative researches among the research hubs to launch program on the 2nd generation of silicon photonics,
- to cultivate young generation,
- to accelerate computation and communication convergence in terms of electronics and photonics convergence.
