

List of Fellows Selected through Open Recruitment in Japan

The following list includes the names of the selected fellows, their host researchers and research themes under the recruitment of FY 2017–2018 JSPS International Fellowships for Research in Japan (Pathway to University Positions in Japan). Notification of the selection results will be made in writing through the head of the applying institution in the middle of January, 2017. An award letter will be sent to the successful candidates. Unsuccessful applicants will inform the candidates. Individual requests for selection results are not accepted.
