

## List of Fellows Selected through Open Recruitment in Japan

The following list includes the names of the selected fellows, their host researchers and research themes under the 4th recruitment of FY 2016-2017 JSPS Postdoctoral Fellowship for North American and European Researchers (Short-term). Under this recruitment, 61 applications were received, among which 12 fellowships were awarded. Notification of the selection results will be made in writing through the head of the applying institution in the middle of October, 2016. An award letter will be sent to the successful candidates. Individual requests for selection results are not accepted.
