List of Fellows (Invitation Fellowship Long-term FY2015): Selected through Open Recruitment

The following list includes the names of the selected fellows, their host researchers and research themes under the recruitment of FY2015 JSPS Invitation Fellowship for Research in Japan. Under this recruitment, 226 applications were received, among which 70 fellowships were awarded. Notification of the selection results will be made in writing through the head of the applying institution in the middle of January, 2015.
