JSPS supports 25 researcher communities (alumni associations) established by former JSPS fellows in countries around the world, allowing them to maintain and expand their networks among themselves and with Japanese colleagues after completing their tenures and returning to their countries. The BIRDSCO Fellowship Program provides members of officially established JSPS alumni associations with opportunities to revisit Japan.

**JSPS INTERNATIONAL FELLOWSHIPS**

The Japan Society for the Promotion of Science (JSPS) is an independent administrative institution that performs the following main functions:

- **Supporting Diverse World-Level Knowledge**
- **Fostering the Next Generation of Researchers to Pioneer (next)edge**
- **Strengthening University Strengths to Enhance Education and Research Capability**
- **Building a Robust International Research Base**
- **Building a Comprehensive Academic Information Analysis Base**

**JSPS Fellows Plaza**

JSPS Fellows Plaza offers information on their research activities and accomplishments in Japan and offers them a platform to share their stories. Through the association's official website, JSPS Fellows Plaza aims to foster a diverse knowledge-base promoting dialogue and understanding.

**JSPS Researchers Network (JSPS-Net)**

https://www.jsps-net.jsps.go.jp

JSPS Researchers Network (JSPS-Net) is a platform where researchers can share their work, ideas, and perspectives on global issues. Members can network with one another and contribute to the advancement of education and research internationally.
