

JSPS Postdoctoral Fellowship for Overseas Researcher

FY 2017 Shikoku

Name(Nationality)	Research Subject	Host Institute Host Researcher	Period	Region Prefecture
KANERVA, M. M. FINLAND	The effects of environment on gene expression and contaminant levels in Baltic salmon during feeding migration	Ehime University IWATA, Hisato Professor Center for Marine Environmental Studies	May 8, 2017~ May 7, 2019	Shikoku Ehime
TIWARI, R. C. NEPAL	3D-SEM analyses of ground motion and response in Kathmandu sediments during 2015 Gorkha Earthquake	Ehime University N. P. Bhandary Associate Professor Faculty of Collaborative Regional Innovation	Apr 1, 2017~ Mar 31, 2019	Shikoku Ehime
GAMBOA MENDEZ, M. VENEZUELA	Vulnerability Assessment of Stream Invertebrates to Global Warming Using Gene Expression Analysis	Ehime University WATANABE, Kozo Associate Professor Graduate School of Science and Engineering	Apr 1, 2017~ Mar 31, 2019	Shikoku Ehime
VERMEIREN, P. E. BELGIUM	Connecting community level impacts of micro-plastics to differences in feeding modes among species	Kochi University IKEJIMA, Ko Professor Faculty of Agriculture and Marine Science	Nov 27, 2017~ Nov 26, 2019	Shikoku Kochi
DELAMARE, W. FRANCE	Distant interaction applied to augmented physical objects with and without augmented reality	Kochi University of Technology REN, Xiangshi Professor School of Information	Oct 1, 2017~ Mar 31, 2019	Shikoku Kochi
