Questionnaire

Please fill out the following questions so that we can take advantage of your impressions in enhancing the JSPS Science Dialogue Program.

- Fellow's name (講師氏名): _____ (ID No. _____)
- Participating school (学校名): _____
- Date (実施日時): _____ (Date/Month/Year: 日/月/年)

1. What motivated you to participate in the "JSPS Science Dialogue" program?
2. What did you do to make your lecture easily understandable for Japanese students?
3. If you have any advice how to facilitate communication with Japanese students, please describe it.
4. What were your impressions of participating in this program?
5. In what ways do you think the students benefited from the program?
6. Was it meaningful in terms of your fellowship activities? If yes, please describe in details.
7. Would you like to give another lecture again if you are requested? (If yes, please let us know when it would be convenient for you.)

We appreciate your kind cooperation, and wish you every success in your research.
