

## List of Principal Investigators

- If the number of principal investigators exceeds 10, add columns as appropriate.
- Place an asterisk(\*) by the name of the investigators who are considered to be ranked among the world's top researchers.
- For investigators who cannot participate in the center project from 1 April 2022, indicate the time that their participation will start in the "Notes" column.
- Include principal investigators affiliated with satellite institutions. Give the name of their satellite institutions in the "Notes" column.
