Abstracts, Posters & Short Oral Presentations

Instructions

Posters and Short Talks should follow the below format:

- 1/3 empirical: description of your own work (main thesis, and how it relates to the conference)
- 1/3 theoretical: methodological challenges you have encountered that relate to the theme of the conference
- 1/3 speculative: future perspectives: can you see your work in wider networks dealing with the theme of the conference? What form or format of collaborations would you most want to see emerge in Euro-Asian research collaboration, what could be your [or your institute's] intellectual contribution?

Short Talks will be limited to strictly 10 minutes maximum

NOTE: Please bring your laptop along as the final version of the Booklet of Abstracts will be distributed on USB sticks
