By submitting this form, I agree to the objective of usage of personal information stipulated in the nomination guidelines. (P.T.O.)

Please attach a brief statement regarding the following subjects. (See the Supplementary Documents Format (Sample))

- Brief description of the nominee's contributions in the area of medical research or medical services within the context of the Prize's concept. (about 50 words)
- Brief biography including academic, administrative and/or research positions, awards and/or recognitions.
- Additional short introduction outlining how and why the research/activity of the nominee has contributed to the advancement and improvement of measures against infectious and other diseases prevalent in Africa, if any. (within 2 pages)
- Titles of publications that represent the nominee's contributions.
(Please mark 4-5 of best publications among them if there are many.)
- Supporting letters by other specialists familiar with the nominee's work. (up to 5 letters)
