

Japan Society for the Promotion of Science

## BRIDGE Fellowship

### Screening Criteria

The JSPS Alumni Associations of Australia screens applications for the JSPS Bridge Fellowship according to the following criteria:

#### BRIDGE Fellow Eligibility

- Be a researcher who is employed as an active researcher working at a university or a research institute.
- Be a researcher who has experienced research in Japan under a JSPS program and who is currently a regular member of an officially recognized JSPS alumni association.
- Agreement by host researcher to all seven items of support in Form B (Agreement by Host Researcher).

#### Other screening criteria

- 1) Contribute to creating, sustaining and/or strengthening scientific networks between applicant's home country and Japan.
- 2) Visit expected to advance research and/or contribute to creating, sustaining and/or strengthening scientific networks.
- 3) Good pre-visit communication between applicant and proposed host researcher and a concrete activity plan established between them.
- 4) In addition to the host institution, visits will be made to several other institutions for the purpose of engaging in discussions, giving lectures, or conducting other activities. Education-oriented activities may be included such as exchanging views with young Japanese researchers.
- 5) As much as possible, no preference is to be given to the applicant's age, specialty or destination institution.

\*If there is no JSPS overseas office in the country of your alumni association, the designated official in the Japanese Embassy. (The name of the official will be sent to you separately.)
