

Japan Society for the Promotion of Science

BRIDGE Fellowship Program

Recruitment Policy

- 1) Open calls for applications shall be published with one deadline per call. The duration of the first year call should be at least two weeks.
- 2) Application guidelines and selection criteria shall be published on the Alumni Association website.
- 3) Application guidelines and selection criteria will be sent to the Alumni Association mailing lists.
- 4) Application guidelines and selection criteria should be included in the Alumni Association event announcements and during events.
- 5) As much as possible, no preference will be given to the applicant's age, field of study or target institution. (However, eligibility will apply).
- 6) Care should be taken not to divulge applicants' personal information when conducting these recruitment exercises.
