

Japan Society for the Promotion of Science  
BRIDGE Fellowship Program  
**Rules for Nominating Committee Members**

- 1) The selection committee members are to comprise persons of the following three categories, who possess knowledge and insight on Japan-German scientific exchange.
  - a) German JSPS Club members
  - b) Director of JSPS Bonn office
  - c) A person appointed to the committee by the director of JSPS Bonn Office
- 2) The number of selection committee members is set at four, including the committee chair. They are chosen as follows:
  - a) Two members from the German JSPS Club are chosen by the Club's board. One of them represents humanities and social sciences and the other represents natural sciences.
  - b) The other two members are the director of JSPS Bonn Office and a person appointed by him/her.
- 3) The term of committee members is for one Japanese fiscal year. The committee members can be reappointed. In the case of two or more vacancies on the committee, new committee members are to be appointed through consultation with both the chair of German JSPS Club and director of JSPS Bonn Office.
- 4) The committee chair is to be chosen by the committee members.
- 5) The term of committee chair is for one Japanese fiscal year. If the chair should step down during his/her term, a new chair is to be selected by the committee members.
