

Japan Society for the Promotion of Science

BRIDGE Fellowship

Screening Criteria

BRIDGE FELLOW ELIGIBILITY

Applicants must be:

1. An ordinary member of JSPS Alumni Association Malaysia;
2. An active researcher at a university or research institute;
3. A researcher who has experienced research in Japan under JSPS program.

SCREENING and SELECTION CRITERIA

1. The proposed research should show evidence of creating, sustaining and/or strengthening scientific networks between Malaysia and Japan.
2. Contribution to the activities of the JSPS Alumni Association Malaysia shall be evaluated.
3. The proposed research should demonstrate a clear plan that could further progress to a stronger academic collaboration project in the future between Malaysia and Japan.
4. Prior discussion and well-defined research plan between the applicant and the host researcher in Japan is essential.
5. In addition to the host institution, visits will be made to several other institutions for the purpose of engaging in discussions, giving lectures or conducting other activities.
6. As much as possible, no preference is to be given to the applicant's age, gender or field of study.
