Please indicate your preference by circling one of the following options:

Agree / Do not agree

3. Optional Information

Please provide the following information on a voluntary basis.

i. Affiliation:

ii. Job title:

iii. Phone number:

4. Important Information

Please review the following conditions and confirm your agreement by checking the box below.

☐ I have read and agree to the following conditions.

- Donations subject to any of the following conditions cannot be accepted:
 - 1. Donations accompanied by any of the following requirements or conditions:
 - (1) Provision of any benefit or preferential treatment to the donor or any related party.
 - (2) Requirement that the donor conduct an audit regarding the use of the donated funds.
 - (3) Provision allowing the donor to revoke all or part of the donation at their own discretion after the donation has been made.
 - (4) Requirement that the donated funds be transferred to, or made available for use free of charge by, the donor or any related party.
 - 2. Donations that would interfere with the operations of JSPS.
 - 3. Donations that would impose a significant financial burden on JSPS.
- Donations from organized crime groups, members of organized crime groups, or persons equivalent thereto, as defined in the Act on Prevention of Unjust Acts by Organized Crime Group Members (Act No. 77 of 1991), cannot be accepted.
- Any personal information provided will be used solely for purposes related to the International Prize for Biology, including the issuance of receipts and the preparation of related publications.
