

Postdoctoral Fellowships for Research in Japan
PROGRAM GUIDELINES
FY2024
Main Modifications from the FY2023 Edition

1. Main Items Modified

1) Abolition of postal delivery of all types of certificates 【J23/E23】

Certificates will no longer be sent by post, but will only be issued in electronic media.

2) Amending information about Fellows 【J33/E33】

If the institution with which the Fellow is affiliated changes after the Fellow has been selected, Form 9 (Notice of Change of Host's/Fellow's Information) must also be submitted.

2. Newly Added Items

Suspending Fellowship due to illness/injury【J29-30/E29-30】

In addition to the Fellowship suspension system for childbirth or child care, a suspension system will be introduced for those who wish to suspend their Fellowship period due to illness or injury. There is no limit to the number of times Fellowship may be suspended, as long as the total suspension period does not exceed 12 months.
