I. BASIC STIPULATIONS

This booklet consists of two parts, one written in Japanese and the other in English. If any differences in wording or interpretation should occur between the two parts, the Japanese part will take precedence.

1. PROVISIONS

This booklet, “Program Guidelines,” provides details on the terms, conditions and procedures of the JSPS Postdoctoral Fellowships for Research in Japan, pursuant to the Award Letter issued by the President of Japan Society for the Promotion of Science (JSPS). The postdoctoral fellows (“Fellows”), host researchers (“Hosts”) and administrative offices or staffs of the host institutions (“Institutions”) in Japan are requested to read carefully each item in this booklet. (Hereafter, Fellows, Hosts and Institutions are referred to collectively as “YOU.”)

Upon receipt of the Award Letter, Fellows are to submit Form A-1 (Notice of Agreement), stating that they will observe all the terms and conditions stipulated in these Guidelines, to their Hosts, who will then submit it with an accompany Form A-2 (Notice of Acceptance) to JSPS via the Institution.

The terms and conditions set forth herein are non-negotiable. Fellows and Hosts are expected to observe the regulations, procedures and deadlines stipulated in these Guidelines.

Institutions are to receive inquiries from and provide consultation to Fellows and Hosts so as to ensure that their research activities proceed smoothly and that they submit the required forms and execute the program procedures without omission.

If YOU should find anything unclear in these Guidelines, please **contact JSPS for instructions.**

Note that allowances could be stopped and other services suspended if YOU should fail to observe the terms and conditions in these Guidelines or to follow JSPS’s instructions.

The English version can be downloaded from the following JSPS webpage:

https://www.jsp.go.jp/english/e-fellow/guideline_03.html

Hereafter, the titles of the various fellowship programs are referred to as follows:

“**Strategic**” = Postdoctoral Fellowship for Research in Japan (Strategic Program)

“**Short-term**” = Postdoctoral Fellowship for Research in Japan (Short-term)

“**Standard**” = Postdoctoral Fellowship for Research in Japan (Standard)

2. FELLOWSHIP ID

JSPS assigns each Fellow a Fellowship ID, which is noted in the Award Letter. All the documents sent to JSPS by YOU should **include the Fellowship ID.**

The Fellowship ID consists of the following prefixes and five digits.

Strategic: GRxxxxx

Short-term: PExxxxx

Standard: Pxxxxx

3. TERM OF THE FELLOWSHIPS

Fellows must start their fellowship during the period specified in the Award Letter. Fellows must, as a rule, start their fellowship during the period specified in the Award Letter. If not, the fellowship will be revoked. If doing so should become difficult, please consult with JSPS immediately. If JSPS is not contacted and the fellowship is not started within the specified period, the fellowship will be cancelled.

◆ Starting date of the fellowship: The day that Fellows arrive in Japan.

For those Fellows who were already residing in Japan prior to the start of the fellowship, the starting date must be agreed upon between them and their Hosts in advance, and the “arrival date in Japan” should be understood as the “starting date of the fellowship.”

◆ Ending date of the fellowship: The day that Fellows depart from Japan.

The last day of the fellowship tenure stipulated in the Award Letter. If Fellows wish to shorten their fellowship tenure, the “date that the fellowship tenure is shortened” should be understood as the “ending date of the fellowship.” In this case, Hosts must fill out Form 6 (Notice of Fellowship Completion (Shortening)) and submit it to JSPS via their Institution.

<Example>

When, for example, Fellows arrive in Japan on 1 April 20AA for a 24-month tenure, their fellowships will end on 31 March 20CC.

Fellows must reside in Japan continuously over the duration of their fellowships. The duration of the fellowship may not be divided into multiple stays.

4. OBLIGATIONS

Fellows, Hosts and Institutions should, based on an understanding of the purpose of the fellowship, observe the rules and instructions stipulated in these Guidelines over the duration of the fellowship.

(1) Obligations of Fellows

- ① During their tenure, Fellows shall not, either in or outside their Institutions, infringe in any way on the human rights of others, including racial or gender discrimination, harassment or other forms of abuse. All cases of potential human rights violations, whether related to the victimized or victimizer, shall be reported and action taken by the Institutions, JSPS and other related organizations to solve the problem.
- ② Fellows are not permitted to receive other fellowships or funding (e.g. salary or other compensation) during the tenure of their fellowships. If Fellows have accepted another fellowship, including another JSPS postdoctoral fellowship, they must choose one of them and decline the other.
- ③ **Fellows are not allowed to receive per diem** even when they are provided funds for transportation and accommodation during trips to execute their research plans.
- ④ During their tenure, Fellows must devote full time to their research at their Institutions, and not engage in any other work or research (*).
- ⑤ Fellows must, as a rule, reside in Japan during the term of their fellowships, and leave Japan on the expiration date of their tenure. If Fellows wish to take a temporary leave of absence from Japan during their tenure, they must follow the rules set forth by JSPS.

- ⑥ Within one month of the completion of their tenure, Fellows must submit Form 7 (Research Report) to JSPS via their Hosts and Institutions.
- ⑦ If Fellows publish research results obtained under the JSPS fellowship program in scientific journals or other literature, annotation of such should be provided.
- ⑧ Fellows must not engage in any kind of research misconduct.
- ⑨ Fellows are obligated to manage appropriately the funds provided them under the JSPS fellowship and research grants, taking strict care to avoid their improper use or expenditure.
- ⑩ Fellows agree to observe all of the provisions in these Guidelines.

(* Types of activities not included in the above-noted “other work or research”

Only the following activities ①-④ are allowed to be carried out as a part of the Fellow’s research activities during his/her tenure. However, Fellows must not be hired or receive remuneration to conduct these activities.

Before conducting these activities, Fellows must obtain approval from their Hosts, ensuring that the activities will not hinder the performance of the fellowship’s research.

- ① Activities such as research-related teaching to students at Institutions.
- ② Participating in a research project closely related to the Fellow’s research title.
- ③ Taking part in outreach activities that are relevant to the Fellow’s research title (see “10. OUTREACH ACTIVITIES RELATED TO FELLOWS’ RESEARCH TOPICS”).
- ④ Taking part in events organized by JSPS for Fellows.

(2) Obligations of Hosts

- ① During Fellows’ tenure, neither Hosts nor Fellows shall, either in or outside their Institutions, infringe in any way on the human rights of others, including racial or gender discrimination or harassment or other forms of abuse. All cases of potential human rights violations, whether related to the victimized or victimizer, shall be reported and action taken by the Institutions, JSPS and other related organizations to solve the problems.
- ② Hosts shall, in cooperation with their Institutions, promptly provide the lab space, facilities and equipment that Fellows will need to begin their research activities. This includes providing Fellows with a title and/or identification card.
- ③ Hosts shall, in cooperation with their Institutions, provide Fellows with pre-arrival assistance including in visa application and other necessary processing, securing domicile, and consultation on daily life in Japan.
- ④ Within one month after the completion of the Fellows’ tenure in Japan, Hosts will submit Form 8 (Hosts’ Research Report) together with Form 7 (Fellows’ Research Report) to JSPS via their Institutions.
- ⑤ Hosts must not engage in any kind of research misconduct.
- ⑥ Hosts are obligated to manage appropriately the research grant and the funds provided under the JSPS fellowship, taking strict care to avoid their improper use or expenditure.
- ⑦ Hosts are to acquire an accurate grasp of the procedures related to Fellows’ tenure and allowances and to ensure that all the prescribed forms are submitted to JSPS via their Institutions. Such procedures include the start, end, withdrawal, extension and recommencement of fellowships and temporary leaves of absence from Japan.

- ⑧ Hosts agree to observe all of the provisions in these Guidelines and to ensure that Fellows also observe them.
- ⑨ Personnel in charge of Fellows' travel expenses at Institutions and staffs at Host labs are to be informed that **Fellows are not allowed to receive per diem even when they are provided funds for transportation and accommodation during trips to execute their research plans.**

(3) Obligations of Institutions

- ① Institutions are to take primary responsibility for Fellows' actions, so they must be proactive in preventing any discrimination, misconduct or misuse of funds by Fellows during their tenure. If any such problems should occur, Institutions will endeavor to resolve them.
- ② Mindful of Fellows' period of stay in Japan including proper entry and departure, Institutions are to ensure the proper execution of all necessary procedures.
- ③ Institutions are to support various living-related aspects of Fellow's and their families' stays in Japan, and provide the Fellow with a title appropriate for conducting their research activities at the Institution.
- ④ When accepting Fellows, Institutions are to carry out security trade control procedures based on the Foreign Exchange and Foreign Control Trade Law (Act No. 228 of 1 December 1949), as they pertain to related government regulations and institutional rules.
- ⑤ Institutions should provide Fellows with pre-arrival assistance including in visa application and other necessary processing, securing domicile, and consultation on daily life in Japan.
- ⑥ Institutions should ascertain how to contact Fellows in the case of an emergency such as a disaster.
- ⑦ Institutions should provide assistance needed for Fellows and Hosts to conduct their joint research comfortably, and, in the event of problems, try to resolve them from a neutral position.
- ⑧ Institutions shall inform both Fellows and Hosts of the rules that they and JSPS have established to prevent research misconduct and misuse of research funds and of the penalties for violations.
- ⑨ Institutions are to acquire an accurate grasp of the procedures related to Fellows' tenure and allowances. Such procedures include the start, end, withdrawal, extension and recommencement of the fellowship and temporary leaves of absence from Japan.
- ⑩ Personnel in charge of Fellows' travel expenses at Institutions and staffs at Host labs are to be informed that **Fellows are not allowed to receive per diem even when they are provided funds for transportation and accommodation during trips to execute their research plans.**

5. CHANGING RESEARCH PLAN

Applications are judged based on the research topic and research plan contained in them.

Accordingly, these items cannot be readily changed. If, however, the reason for changing the research plan is progress made after application in the proposed research, the change may be approved.

6. REVOCATION OF THE FELLOWSHIP AND STOPPING ALLOWANCES

JSPS may take the following measure(s) if it judges any of the circumstances described below to pertain.

Accordingly, JSPS may:

- (1) Revoke or cancel the fellowship during the Fellow's tenure.
- (2) Stop paying allowances (including air tickets).
- (3) Require the full or partial return of money (including the research grant) already paid.

The above measure(s) may be taken when JSPS judges the following to occur.

- ① The fellowship has been awarded on the basis of false statements in the application form.
- ② Completion of the Fellow's research activities stated in his/her application form is deemed impossible or clearly difficult to achieve within the duration of the fellowship.
- ③ Fellows violate Japanese laws or regulations or are prosecuted for violating them.
- ④ Hosts or Institutions judge it difficult for Fellows to continue their research.
- ⑤ Fellows submit a request for a leave of absence after the fact or submit a false report.
- ⑥ Fellows fail to fulfill a fellowship's eligibility requirements (such as acquiring Japanese citizenship or permanent residency).
- ⑦ Fellows receive financial provisions by deception or other fraudulent means.
- ⑧ Fellows waste and/or abuse research funds.
- ⑨ Fellows commit misconduct in their research activities.
- ⑩ Fellows do not in good faith observe the obligations stipulated in these Guidelines, fail to follow JSPS's instructions, or carry out any actions in a manner unbecoming the high stature expected of JSPS Fellows.

7. COMMUNICATION BETWEEN FELLOWS AND HOSTS

It is the Hosts and host institutions who will be responsible for carrying out the administrative details of Fellows' visit. Fellows are advised to maintain close contact with their Hosts and Institutions. When applicable, the following matters should be thoroughly discussed.

(1) Securing Domicile

House and apartment rental in Japan is expensive, particularly in large cities such as Tokyo, Osaka and Kyoto. Furthermore, when Fellows sign a rental agreement, they may be required to pay the landlord a refundable deposit (*sheik-kin*) and non-refundable "key money (*rei-kin* and/or *kern-kin*)" equivalent to 4-6 months' rent. In addition, Fellows may need to pay the real estate agency a fee equivalent to one month rent. The amounts of these deposits and key money differ somewhat from place to place. Also note that Japanese houses and apartments normally come unfurnished.

JSPS does not pay these fees nor can it act as Fellows' guarantor for rental agreements. Neither can JSPS act as a mediator in house hunting or provide housing information. It is, therefore, advisable for Fellows and Hosts to secure the Fellows' domicile prior to starting research in Japan.

When negotiating a rental contract, Fellows are advised to ask their Hosts, Institutions or a Japanese colleague to accompany them to the real estate office.

(2) Form of Joint Research

If it is anticipated that a disagreement may occur with regard to intellectual property rights on the outcomes (e.g., patents, software) of the joint research, Fellows, Hosts and Institutions should negotiate and establish a memorandum on their disposition in advance.

It should be confirmed by Hosts in advance that Fellows understand that the cooperative research is to be conducted under the guidance of Hosts. If this should not be the case, Fellows and Hosts should discuss and agree upon the form of collaboration in advance.

When filing a patent application, care should be taken to fully consult patent and other related domestic laws and ordinances as well as the rules and regulations governing the disposition of research outcomes at the Institutions.

(3) Fellow's Working Conditions

As JSPS does not employ Fellows, JSPS is not in a position to dictate their working conditions, such as the number of hours or days per week they work at Institutions. Therefore, Hosts and Institutions should establish Fellows' research hours and other working conditions in advance, and inform Fellows of how summer vacations or other periods of leave are administered. The working rules and practices of Institutions and/or research groups may be applied when establishing Fellow's working conditions.

If a difference of opinion should arise between Fellows and Hosts with regard to the implementation or other aspects of the joint research, a neutral body within Institutions should be asked to mediate.

8. RELEASING INFORMATION ABOUT FELLOWS

Fellows' and Hosts' names, fields of specialization, fellowship tenures, research themes, research abstracts, and research reports may be posted on JSPS's website.

9. ACKNOWLEDGING RESEARCH RESULTS

When reporting research results achieved under the JSPS fellowship in scientific journals or other publications, indicate clearly that Fellows are "JSPS International Research Fellows."

Example: 1. International Research Fellow of Japan Society for the Promotion of Science (Postdoctoral Fellowships for Research in Japan (Standard))
2. JSPS International Research Fellow (Graduate School of Science, XX University)

Please inform JSPS if research activities conducted under this program or their related outcomes receive high appraisal. (This includes publications of coauthored papers in academic journals, coverage of research activities/results in newspapers or other media, and awards for research achievements.)

10. OUTREACH ACTIVITIES RELATED TO FELLOWS' RESEARCH TOPICS

Fellows are invited to use their research outcomes to benefit society and give presentations to disseminate them to the public, as the JSPS Fellowship Program is funded by taxpayers. Accordingly, Fellows may take part in outreach activities related to their research topics by obtaining permission from their Hosts, as long as such activities do not hinder the carrying out of their fellowship research plans.

Outreach activities

Outreach activities go beyond the mere dissemination of information; they communicate research contents and outcomes to the public using easy-to-understand language; and they create a friendly two-way dialogue between practitioners and recipients of science and technology. "Outreach" means "reach out."

Examples of outreach activities:

Symposiums open to the public, children and/or teachers; Open Campus and Open Lab events; lectures given by guest speakers; classroom science experiments; "Science cafes"

Such outreach activities related to Fellow’s research topic are funded by the Grant-in-Aid for JSPS Research Fellow or the Research Support Allowance.

“Science Dialogue” is one of the outreach programs designed for Fellows who come to Japan under this JSPS Fellowship Program. In it, Fellows give lectures in English at mainly high schools on their research activities and on the society and culture of their home countries. Please visit the following website for the details.

Science Dialogue Program: <https://www.jsps.go.jp/english/e-plaza/e-sdialogue/index.html>

11. MISCONDUCT IN RESEARCH

Misconduct in research dishonors science, undermines people’s trust in science, and hinders the advancement of science. It must not be committed under any circumstance.

Ensuring research integrity is all-the-more imperative when it comes to securing the effective use of public funds at a time when governmental support for research is being increased as an investment in future despite severe financial conditions in Japan.

Therefore, YOU should not engage in any kind of research misconduct. Fellows and Hosts should take special care to observe the rules and regulations for research activities specified by Institutions and academic societies.

Misconduct in research activities

“Misconduct committed in carrying out research activities and publishing research outcomes undermines research integrity, distorts the essence and meaning of research, and hinders the normal process of communication within the scientific community. Specifically, misconduct comprises the fabrication and falsification (manipulation) of data and/or results obtained from research activities and the appropriation of research results by others (plagiarism).”

12. IMPROPER USE OF RESEARCH FUNDS

You must not misuse research funds. The following are examples of the improper use of research funds.

(1) Impropriety through fictitious honoraria and wages

- ① Requesting honoraria/wages not accordant with the actual situation, such as a claim for payment based on a fictitious timesheet

(2) Impropriety through the fictitious purchase of goods

- ① Requesting payment of funds based on a fictitious transaction and giving the funds paid to a vendor to hold and manage
- ② Paying a vendor for a fictitious order of consumables to pool money

(3) Impropriety through fictitious travel expenses

- ① Requests for travel funding in an amount more than actually expended
- ② Requests for funding for fictitious travel

In addition to the above, if a Fellow is participant in the misuse of another researcher's research funds, JSPS will judge him/her to also have committed the misuse. When using research funds, Fellows must check in advance the usage rules at their Institutions and be sure to use them properly.

13. HANDLING OF PERSONAL INFORMATION

Personal information contained in documents related to this program shall be strictly controlled in accordance with the "Law to Protect Personal Information Held by Independent Administrative Institutions" and JSPS's own regulations for protecting personal information. JSPS will use such information exclusively for implementing its programs. (This may involve the provision of personal information to external companies commissioned to electronically process and manage program-related data.)

Fellows should note that their name, nationality, title and affiliated organization; research theme, fellowship tenure, host institution, host researcher's name and title; and research reports may be given public access. Fellows are also asked to participate in surveys aimed at improving JSPS programs.

II. PROCEDURAL PROVISIONS

The following outlines the important points and procedures to be carried out after being selected for a fellowship. A list of the forms to be submitted, including their submittal instructions, is provided in these Guidelines. The forms should be downloaded from the JSPS website and submitted without exception by the prescribed deadlines.

These forms can be downloaded from JSPS's website: <https://www.jsps.go.jp/j-fellow/yoshiki.html>

*** ⑤ is not included in the case of Strategic Fellows nominated by DST/INSA.

2. PRE-ARRIVAL PROCEDURES

(1) Submitting Form A-1 (Notice of Agreement) and Form A-2 (Notice of Acceptance)

[Fellows, Hosts, Institutions]

Upon deciding to accept the fellowship, Fellows are to send Form A-1 (Notice of Agreement) to their Hosts, who will forward it along with Form A-2 (Notice of Acceptance) to JSPS via their Institutions. These forms should be submitted after Fellows and Hosts have read and agreed to the terms and conditions stipulated in these Guidelines and decided upon a date for Fellows to come to Japan to start their fellowships.

Forms A-1 and A-2 must be submitted to JSPS as soon as possible after your Award Letter is issued.

Otherwise, your fellowship will not be able to start.

(2) Special attention should be paid to the setting of your fellowship starting date on the Notice of Acceptance (Form A-2).

- ① The starting date is not the day that Fellows' depart from overseas but the day that they arrival in Japan.
- ② The starting date may be changed from that indicated in the fellowship application submitted to JSPS.

Consultations and arrangements to be conducted by Hosts and Host institution when setting Fellows' start date and period of stay in Japan:

- ① Overall research plan and activities
- ② Documents that Fellows will need when applying for a visa.
- ③ Fellows' transportation from port of entry to destination in Japan
- ④ Fellows' accommodations during their stay
- ⑤ Bank account to receive Fellows' allowances

⑥ Use of the research support allowance or the Grant-in-Aid for JSPS Research Fellow

(3) Submission of PhD Diploma or Other Documentation (to certify the date of PhD award)

[Fellows, Hosts, Institutions] *For Short-term and Standard Fellows

① Standard Fellows

Fellows under the Standard fellowships must hold a doctoral degree at the time their fellowships start. Accordingly, a copy of your diploma showing that you have received a doctoral degree must be submitted via your host researcher or the admin office of your host institution to JSPS as soon as possible to certify your receipt of a PhD degree.

If you are unable to submit a diploma (copy) by the prescribed deadline, you may submit a certificate (original) issued by your university certifying that you have received a doctoral degree. JSPS will only accept the original of this certificate.

If you are expected to receive a doctoral degree by the deadline but are unable to submit a copy of your diploma or other document providing evidence that you have received a doctoral degree, you may submit a copy of a certificate issued by your university certifying that you are scheduled to be awarded a doctoral degree. Then, submit the copy of PhD diploma as soon as the doctoral degree is received.

Fellows who are nominated by a JSPS overseas counterpart organization and have submitted the copy of PhD diploma at the time they applied for the fellowship do not need to submit the document to JSPS.

Even if a document is submitted certifying that your PhD is scheduled to be awarded, if a document certifying that you have received your doctoral degree is not submitted by the deadline, the fellowship will be cancelled or withdrawn.

② Short-term Fellows

(i) Copy of diploma/Original of degree certificate

Fellows under the Short-term fellowship must either hold a doctoral degree at the time their fellowship starts or be scheduled to receive one within two years from the date that the fellowship starts. As stipulated in Chapter “III. FINANCIAL PROVISIONS,” the amount of monthly allowance will differ based on whether Fellows have received a doctoral degree (PhD holder) or have not received one (non-PhD holder).

i) Persons expected to receive a PhD by the time their Fellowship is scheduled to start

The procedure for submitting the documents is the same as for above ① Standard Fellows.

ii) Persons not expected to receive a PhD by the time their fellowship is scheduled to start

Quickly submit one of the following documents certifying the date that your PhD is scheduled to be awarded.

➤ A document from the university certifying the date a PhD degree is scheduled to be awarded (original)

➤ Certificate of doctoral course enrollment (original)

➤ Document written and signed by the Fellow’s academic advisor stating that s/he is scheduled to receive a PhD degree within two years from the fellowship starting date (original)

Even if Fellows submit the above-noted document certifying that your PhD is scheduled to be awarded after their fellowship has started, JSPS will NOT change their monthly allowance amount throughout their tenure.

If NOT submitted, Fellows will be considered to have withdrawn from the fellowship.

(ii) A document that confirms the Fellow’s permanent residence in a European or North American country [For relevant Fellows]

For Fellows in the “Short-term” Fellowship Program who had nationality in a country other than those listed in the application guidelines at the time they submitted their application, please submit a copy of your permanent residence card or equivalent document showing that you have permanent residence in that country to JSPS right away after receiving your Award Letter. **The Fellowship will be cancelled if the Fellow’s eligibility is not verified due to failure to submit the requested document.**

③ Notes:

- JSPS begins processing the payment of Fellows’ initial allowances after verifying their PhD acquisition status from their diploma or other documents.
- JSPS will not award the Fellowship to persons who fail to submit a PhD diploma or other document to certify the date of their PhD award
- Under the JSPS program, the date of degree award is the date that the issuing university awarded the degree. It is not the date that Fellows orally defended their dissertation (viva voce) or completed a doctoral course.
- If it should be determined that the date of a Fellow’s PhD award falls after the starting date of the fellowship, YOU should notify JSPS right away, as research under the fellowship will not be allowed to start.
- If the documents Fellows submit are written in a language other than Japanese or English, they are to be accompanied by a Japanese or English translation.
- Contact JSPS if YOU have a question as to whether or not the documents in your possession are recognized as the required documents.

(4) Changing Fellowship Starting Date [Fellows, Hosts, Institutions]

Fellows must start their tenure during the period of 30 days before or after the date in Form A-2. If, however, due to an unavoidable reason, Fellows should want to start their tenure outside this period, contact JSPS for instructions. There are cases when Fellows are asked to submit a letter giving the reason for changing their starting date to JSPS via their Institutions.

(5) Resident Status [Fellows, Hosts, Institutions]

All Fellows must possess a valid passport issued by their country of nationality and a proper visa as necessary. The visa shows that Fellows have permission to enter and stay in Japan. Fellows must go to a Japanese Embassy or Consulate to obtain a visa before leaving for Japan.

Fellows should receive “landing permission” at the immigration window of their port of entry into Japan when they show their proper visa.

If Fellows submit a Certificate of Eligibility when applying for their visa, the Japanese Embassy or Consulate will be able to process the visa faster than when applying without one.

Fellows are recommended to obtain a “Professor” or “Researcher” visa status. To check which of these two statuses is applicable to you, please consult the Immigration Bureau’s homepage.

Before leaving for Japan, Fellows must obtain a visa that coincides with the purpose and length of their stays in Japan. Hosts and Institutions are asked to refer to Appendix A and assist Fellows in applying for and obtaining a proper visa. Please note that JSPS is not in a position to answer inquires or make an arrangement regarding visa applications for Fellows and their family members.

The chart below outlines the procedure for obtaining a visa.

(6) Application for Air Tickets [Fellows] *For ETH-nominated Strategic, Short-term, Standard Fellows

Fellows are to follow the instruction “Air Ticket Application Information” issued by JSPS’s designated travel agency, and apply to the agent’s office for an air ticket **no later than 40 days prior to their intended date of arrival in Japan.** After receiving Fellows’ request, the travel agency will contact them when the ticket is ready.

Note that JSPS’s regulations prevent us from reimbursing Fellows for tickets that they purchase themselves.

Read Chapter III “4. AIRFARE” before applying for an air ticket.

JSPS does not provide air tickets to Fellows nominated by NSF or DST/INSA under the Strategic fellowship, nor does it arrange tickets for them. They should book and pay for their air tickets to and from Japan.

(7) Submission of Form 1 (Fellowship Commencement and Initial Allowance) and Form 3 (Notice of Bank Account) [Fellows, Hosts, Institutions]

Fellows and Hosts are to confirm in advance the way in which Fellows will receive their initial allowances.

Form 1 must be submitted by at least one month prior to the starting date of your fellowship via your host institutions.

When submitting Form 1, Fellows who are residing in Japan or who have not yet booked a flight do not have to fill out the Name of Airport and Flight Number spaces.

Regarding Form 3, depending on whether or not the Fellow already have a Japanese bank account, different documents are to be submitted. Before submitting this form, please check whether you come under item ① or ② below.

If these forms are not submitted on time, the payment of your allowances may be delayed. Please take care to submit them by the deadlines

① When Fellows already have a Japanese bank account

If Fellows wish to have their initial allowances remitted into a bank account they have opened in Japan, indicate so in Form 1 (Fellowship Commencement and Initial Allowance) and submit it along with Form 3 (Notice of Bank Account) via Institutions so that it reaches JSPS at least one month prior to their fellowship starting date. On Form 1, indicate the Japanese bank account into which the Fellow wants the allowances to be deposited.

They should submit Form 3, entering the bank account in Fellows’ own name, and **be sure to attach a copy of the first page of their bankbook (reverse side of front cover) containing the account number.** If an error is made in the entry of your name on the form, it may be impossible

to deposit your allowances.

② **When Fellows do not have a Japanese bank account**

If Fellows do not have a Japanese bank account, they will need to open one upon arrival in Japan. For initial allowance, please choose (i) or (ii).

(i) **Having the initial allowance payment remitted into Hosts' account**

☆**Recommended**☆

Fellows may ask to have their initial allowance remitted into their Hosts' bank account prior to their arrival in Japan. In this case, indicate so on Form 1 and submit it along with Form 3 in their Hosts' name so that it reaches JSPS at least one month prior to their fellowship starting date.

Fellows will receive their initial allowances from their Hosts along with a RECEIPT. After checking the amount of money deposited against the RECEIPT, sign the RECEIPT and send the original to JSPS, a copy of which is retained by Hosts.

Upon arrival in Japan, Fellows should open a Japanese bank account right away and resubmit Form 3 in their own name. **The second and ensuing allowances will be remitted to Fellows' bank account after JSPS has received the signed RECEIPT for the initial remittance.**

(ii) **When having the initial allowances remitted into Fellows' own bank account in Japan**

If Fellows want to have their initial allowances remitted into their own bank account, indicate so in Form 1 and submit it to JSPS at least one month prior to the fellowship starting date. Then, Fellows should open their own bank account in Japan right away upon arrival in Japan and submit Form 3 in their own name. **Be sure to attach a copy of the first page of your bankbook (reverse side of front cover) containing the account number.**

It will take at least 2-3 weeks to open the Fellows' own bank account after arriving in Japan. It will take about three more weeks after JSPS receives Form 3 to remit to the allowances to the account. Therefore, if Fellows are not going to bring sufficient funds to cover their initial expenses, **it is recommended that they have the initial allowances remitted into their Hosts' account prior to their arrival in Japan.**

Note: As the allowances that JSPS pays Fellows are not considered to be salary or remuneration, it can be difficult for JSPS Fellows to obtain a credit card in Japan. Those Fellows who may need a credit card to attend conferences or for other purposes during their tenure are recommended to bring an internationally recognized one with you to Japan.

(8) **Research Grant [Hosts, Institutions]**

① **For Standard Fellows only**

A Grant-in-Aid for JSPS Fellows (*Tokubetsu Kenkyuin Shorei-hi (Kakenhi)*) is available to support Fellows' cooperative research. As it is the Hosts who apply for this grant, Fellows should consult with them regarding its use based on the Fellows' submitted research plan.

For the Grant-in-Aid program outline and procedures, see Chapter "V. GRANT-IN-AID FOR JSPS RESEARCH FELLOW."

② For Strategic Fellows and Short-term Fellows only

Hosts are eligible to apply for a research support allowance. For the program outlines and procedures, see Chapter “VI. RESEARCH SUPPORT ALLOWANCE.”

(9) Refusal of the Fellowship [Fellows, Hosts, Institutions]

If Fellows must refuse to accept their fellowships for unavoidable reasons, they should immediately submit Form 10 (Notice of Refusal to Accept Fellowship) to their Hosts, who will confirm the form's content and submit it to JSPS via the Institutions.

Fellows awarded a fellowship through a nominating authority should also immediately inform the nominating authority, stating the reason for their refusal.

3. POST-ARRIVAL PROCEDURES

(1) Submission of Form 2 (Notice of Fellowship Commencement) [Fellows, Hosts, Institutions]

Fellows and Hosts should submit Form 2 (Notice of Fellowship Commencement) along with a clean copy of the Fellow's passport that clearly shows his/her name (etc.) in the entry fields, visa stamp, and landing permission stating the date of entry. The form must be submitted within one week after the Fellows' arrival in Japan. Fellows who have been staying in Japan before the commencement date of the Fellowship must also submit a copy of their residence card. **If this form is not received on time, JSPS will not be able to make the second allowance remittance,** nor will it be able to enroll the Fellow in the Overseas Travel Insurance Policy. Therefore, be sure that Form 2 is submitted on time.

(2) Submission of Form 3 (Notice of Bank Account) [Fellows, Hosts, Institutions]

JSPS remits the second and subsequent allowances into Fellows' own bank account. Therefore, those Fellows who do not yet have a bank account in Japan are requested to open one as soon as they get settled in. Register and receive a resident card first at a municipal office, then go to a bank with the registered resident card to open a bank account. It may take longer than expected to open a bank account in Japan. It is strongly recommended that you bring an extra amount of money with you so as to be prepared for delayed allowance remittance due to an account opening problem.

Form 3 containing the Fellows' bank account information should be submitted via Institutions. **Be sure to attach a copy of the first page of the Fellow's bankbook (reverse side of front cover) containing the account number.**

(3) Procedures at Municipal Office [Fellows, Institutions]

Fellows should carry out the following three administration procedures at the municipal office of their city (*shi*), ward (*ku*), town (*machi*) or village (*mura*). Fellows should also inquire at the municipal office as to whether there are any procedures required before they leave Japan.

Fellows are advised to ask their Hosts, Institutions or a Japanese colleague to accompany them when they go to the municipal office, as its staff may not speak English.

① Residence Card

Japan's residency management system applies to all foreign nationals residing legally in Japan for a mid- to long-term period. **Fellows with visa status of longer than three months come under this system. (Stays of three or fewer months are excluded.)**

A “residence card” will be issued to Fellows at the immigration inspection window of their port of entry. Fellows must take the card to the ward, city or town office where they will reside and notify it

of the address of their residence within 14 days from the day that their residence is decided.

While in Japan, Fellows are required to carry the residence card with them at all times, in place of a passport. When opening a bank account, Fellows may be asked to show this card as identification. At the end of the Fellows' tenure, their residence card must be returned to the immigration officer at the airport when leaving Japan.

***For more information on this system, please check the Immigration Bureau's website.**

(URL: <http://www.immi-moj.go.jp/english/index.html>)

② National Health Insurance

Though Fellows will be covered under JSPS's Overseas Travel Insurance, by law they must also join the National Health Insurance Program, which obligates people who come from other countries and will remain in Japan for more than three months to join this program. Under the national system, people are required to bear 30% of the cost of treatment. Depending on the illness, that 30% may be covered under the JSPS policy.

After registering your residence card at the municipal office, apply for the National Health Insurance at the designated counter of the same municipal office. As the allowances paid under the JSPS fellowship programs are not considered to be salary, Fellows may apply for a reduction in the insurance premiums.

***For more information on National Health Insurance, please inquire at the insurance section of the city, ward, town or village office where Fellows reside.**

③ National Pension System

Foreign nationals between ages 20 and 60 who have an address in Japan and have a residence status of longer than three months must join the National Pension System, pursuant to the National Pension Act. A pension book is issued when Fellows join the program, and they may be able to receive a basic disability or survivor pension.

After registering your residence card at the municipal office, apply for the National Pension at the designated counter of the same municipal office. Since the allowances that Fellows receive under the JSPS fellowship are not pay (income), Fellows may apply for the insurance premium exemption and payment suspension system based on a lack of income. In addition, there is a lump-sum payment system that allows you to redeem a percentage of your paid premiums when you withdraw from the program early (when you leave Japan).

Japan has concluded social-insurance agreements with various countries to prevent overlapping enrollment and to merge pension-enrollment periods. Fellows must decide in advance whether they will use this system, as processing must be carried out by the agency with jurisdiction over the pension system in their home country.

***For details and latest information on this system, please check the below website.**

Japan Pension Service: <https://www.nenkin.go.jp/international/index.html>

(4) Visa Extension and Application Documents [Fellows, Institutions]

① Visa extension

The authorized period of Fellows' stay and their assigned visa status are entered in their passport by the Immigration Officer when they arrive at the airport in Japan. If their fellowship tenure should go beyond the date of the authorized period of stay, Fellows must apply for an extension at a local Immigration Office.

Fellows should make their application for extension no later than the expiration date of their authorized period of stay. Applications are normally accepted from about three months prior to the expiration date. **Fellows are advised to ask their Hosts, Institutions or a Japanese colleague to accompany them when they go to the Immigration Office. Fellows must take personal responsibility for processing the extension.** Ask the Immigration Office for instructions in advance so as to be prepared to apply for the extension.

② Application documents for extension

Generally, Fellows will need to take the following documents with them to the Immigration Office when they apply for an extension:

- (a) A copy of the Award Letter and Certificate of Financial Support from JSPS*
- (b) Their bankbook
- (c) A document written by their Host stating the Fellow's fellowship period, Institution, and research theme. (See example in Appendix C.)
- (d) The Fellow's passport and resident card, and the Program Guidelines (this booklet)

***If asked for the Award Letter and Certificate of Financial Support, submit copies of them.**

Take the originals with you just in case.

4. PRE-/POST-DEPARTURE PROCEDURES UPON COMPLETION OF THE FELLOWSHIP

(1) Applying for Air Ticket [Fellows]

① ETH-nominated Strategic, Short-term and Standard Fellows

Fellows must apply to JSPS's designated travel agency for their return ticket before the deadline stated in the booklet "Air Ticket Application Information." Follow the agency's instructions to get your return ticket.

If after your fellowship tenure has ended, you need to temporarily remain in Japan to wrap up your research agreed with your Host Researcher, JSPS may be able to provide you a return air ticket within a period of up to two months of extended stay. In this case, please inform JSPS in advance. Other than the air ticket, however, JSPS will take no responsibility for you nor will it pay you any allowances during the extended period.

Note that JSPS cannot pay for an air ticket applied for after Fellows' tenure has expired. The travel agency is the same agency that booked your flight to Japan. Please refer to Chapter III "4. AIRFARE" and the booklet "Air Ticket Application Information."

If Fellows should decide to leave Japan before their fellowships expire, they must inform JSPS immediately. (See Chapter IV "1. SHORTENING THE FELLOWSHIP TENURE.")

② NSF or DST/INSA-nominated Strategic Fellows

Air tickets for coming to and returning from Japan are not provided, nor are they arranged under this program. Accordingly, these Fellows must book and pay for their return ticket on a flight on or after the date that their tenure ends. **However, if your departure date should come before your initially scheduled fellowship expiration date, be sure to notify JSPS immediately.**

(2) Submission of Form 6 (Notice of Fellowship Completion (Shortening)) [Fellows, Hosts, Institutions]

Hosts are requested to submit Form 6 (Notice of Fellowship Completion (Shortening)) to JSPS via their Institutions no later than two weeks after the expiration of the fellowship.

If Fellows secure new employment or another fellowship after their tenure ends, JSPS will require them to submit a document certifying whether they will receive payment from their new employer equivalent to cost of a return ticket. (Refer to Chapter IV “1. SHORTENING THE FELLOWSHIP TENURE.”)

(3) Submission of Form 7 (Research Report (by Fellow)) and Form 8 (Research Report (by Host)) [Fellows, Hosts, Institutions]

Within one month of the completion of their fellowship tenure in Japan, Fellows must submit Form 7 (Research Report) to JSPS via their Institutions. Simultaneously, Hosts must submit Form 8 (Research Report). Both Forms 7 and 8 may be written in either English or Japanese. **The Fellow’s research title may not be changed.**

JSPS may later post excellent reports with photos on its website. Also, if Fellows do not want their photo posted, they don’t have to attach a photo to their report.

If the outcomes of research related to JSPS fellowship programs are highly appraised, please inform JSPS. (This includes publications of coauthored papers in academic journals, coverage of research activities/results in newspapers or other media, and awards for research activities/achievements.)

(4) Submission of Feedback on Fellowship Program [Fellows, Hosts]

Fellows nearing the end of their tenure and their Hosts are asked to fill out an online questionnaire, which will be used to gauge the performance of services provided and to improve the JSPS fellowship program.

The questionnaire is divided into two parts, one for Fellows and the other for Hosts to fill out. Please choose the appropriate webpage and answer the questions.

Japanese and English (for Hosts): https://www.jsps.go.jp/j-fellow/j-fellow_14/peq.html

English (for Fellows): <https://www.jsps.go.jp/english/e-fellow/peq.html>

(5) Application for Certificate [Fellows]

As a rule, JSPS does not issue documents to certify the fellowship status of former or current Fellows. When Fellows need documentation in such cases as applying for a visa extension or proving that they were awarded a JSPS fellowship or that they received allowances from JSPS, **they should use copies of their Award Letter or Certificate of Financial Support, or ask their Institutions to prepare the necessary documents. (See Appendix C for an example of a certificate that may be prepared by Institutions.)**

The only exception to this rule is when Fellows require a certificate to apply for a job **after the completion of their fellowship**. If deemed appropriate, JSPS may issue a certificate.

To apply for a certificate, Fellows should fill out and sign Form 11 (Application for Certificate) stating the reason they need the certificate and where it is to be sent, and submit it to JSPS along with an enclosed self-addressed, stamped envelope (Japanese stamp or international reply coupon only) at least two weeks prior to the date the certificate is needed. If the amount of postage is insufficient, the certificate will not be issued.

As a rule, the certificate cannot be sent by email, fax or PDF due to privacy requirements.

III. FINANCIAL PROVISIONS

JSPS's financial provisions described below are not subject to negotiation. **JSPS does not provide any support for dependents.**

If the forms designed in these Guidelines are not submitted by the deadlines or in accordance with the stipulated procedures, the Fellow's allowance payments may be delayed or cancelled.

Allowances (etc.)	Recipients	Postdoctoral Fellowships for Research in Japan				
		Strategic			Short-term	Standard *2
		DST/INSA- nominated	NSF- nominated	ETH- nominated		
Monthly allowance	Fellows	¥362,000	¥200,000	¥220,000	¥362,000 for PhD ¥200,000 for non-PhD	¥362,000
Settling-in allowance*1		/	(fixed) ¥100,000	/	(fixed) ¥200,000	(fixed) ¥200,000
Airfare*1 (Air tickets)		/	/	Ticket	Ticket	Ticket
Overseas Travel Insurance		/	See III "5. OVERSEAS TRAVEL INSURANCE"			

*1 These allowances are paid only to those Fellows meeting the eligibility requirements.

For reference, see "3. SETTLING-IN ALLOWANCE" and "4. AIRFARE."

*2 Separate from the above, JSPS will cover Fellows' travel expenses to attend its orientation for newly arriving Fellows and other official JSPS meetings. The amount to be paid is as stipulated in JSPS rules.

1. NATURE OF FINANCIAL SUPPORT

JSPS provides Fellows with maintenance and other allowances to cover the cost of their stay and travel for the purpose of carrying out research activities in Japan. (These allowances are not compensation for the researcher's activities (work).)

The National Tax Agency recognizes this tax-exempt status as follows:

As the maintenance and other allowances provided by JSPS to researchers are not employment-based wages, they are not subject to withholding tax. In addition, as these allowances take the form of travel expenses required to support the researchers' stays in Japan and are limited to covering actual expenses, they are exempted from taxation.

2. MAINTENANCE ALLOWANCES

JSPS provides maintenance allowances to cover living expenses and domicile costs related to Fellows' stay in Japan for the purpose of carrying out research activities in collaboration with their Hosts.

(1) Amount of Maintenance Allowances

Based on "III. FINANCIAL PROVISIONS," the total amount of maintenance allowances paid during fellowships will be a fixed amount per month (varying by program) × number of months of tenure. This may not apply, however, if Fellows shorten their tenure.

For Short-term Fellows, the amount of the monthly maintenance allowance differs between PhD holders and non-PhD holders. All Fellows are to submit documents by no later than their departure to Japan on whether they have already received a PhD degree or, if not, when they are scheduled to receive one. See Chapter II-2 "(2) Submission of PhD Diploma or Other Documentation (to certify the date of PhD award)." JSPS decides the amount of allowance to be provided based on the submittal of these degree documents by the deadline. Once decided, the amount will NOT be changed throughout the Fellows' tenure.

(2) Payment of Maintenance Allowance and Date of Remittance

As a rule, allowances are remitted monthly at the end of the preceding month.

The initial allowance for three months will be paid by remittance after JSPS receives Form 1 (Fellowship Commencement and Initial Allowance) and Form 3 (Notice of bank Account). If these forms are not submitted on time, the payment of your allowance may be delayed. For detailed information, check the email that JSPS sends to Hosts prior to making the remittance.

The second allowance is remitted into the Fellows' bank account after JSPS receives Form 2 (Notice of Fellowship Commencement) and Form 3 (Notice of Bank Account (Fellows' account)) with a copy of the first page of the Fellow's bankbook (reverse side of front cover) containing the account number and RECEIPT (if the initial allowance is remitted to the Host's account). JSPS does not inform Fellows of the date of remittance by letter.

In all fellowship programs, the Fellows' allowances for the first and last months of their tenure are remitted based on whether they arrived on or before the 15th or on or after the 16th of the month. (See the following examples.)

<Examples>

*Fellows arriving in Japan on or before the 15th of the month:

JSPS provides the full allowance for the first month but none for the last month.

*Fellows arriving in Japan on or after the 16th of the month:

JSPS provides half of the monthly allowance in the first month and half in the last month.

Note:

Changes in JSPS's budgetary and accounting systems may cause the above-noted dates and amounts of allowances to be altered without prior notice.

Caution:

Fellows are responsible for managing the funds remitted into their account. Even if Fellows should run out of money, **JSPS will NOT entertain requests for an advance on their next allowance.**

3. SETTLING-IN ALLOWANCE

***For NSF-nominated Strategic, Short-term and Standard Fellows**

The settling-in allowance is paid upon the Fellows' arrival in Japan to cover costs of shipping personal belongings.

This allowance is made in a single payment. It is paid along with the initial monthly allowance. However, it is not paid in the following cases.

- ① If JSPS judges that Fellows were already residing in Japan for such purposes as study, work or other personal reasons before the fellowship starting date. (ex. Having a residence card in Japan, etc.)
- ② If the Fellow's tenure is less than three months (for Strategic and Short-term Fellows).

4. AIRFARE

To cover their travel to and from Japan, Fellows are provided air tickets. The type of ticket depends on each program. For details, see the above allowance payment table and refer to the "Air Ticket Application Information" guide for a specific program.

(1) Conditions for Payment

① ETH-nominated Strategic, Short-term and Standard Fellows

JSPS provides air ticket from the major international airport nearest to the place (see below options) to the nearest airport to the Institution in Japan by way of the most usual and economical route. Fellows are not given a choice of the airline to be used. When booking roundtrip tickets, the departure point to Japan and the return point are, as a rule, the same.

- (a) The institution to which Fellows were affiliated at the time of application
- (b) The home address stated in Fellows' fellowship application
- (c) A major city within the Fellows' country of nationality
- (d) The institution where Fellows are scheduled to work after their tenure ends (However, only the return route can be changed.)

※If after receiving your roundtrip ticket to Japan you should want to change it, you must do so through JSPS's designated travel agency. If any charges are added due to the change, the Fellow must pay them him/herself.

An air ticket to Japan will not be provided for Fellows residing in Japan before the starting date of their fellowship.

② NSF or DST/INSA-nominated Strategic Fellows

JSPS does not provide Fellows with airfare either to or from Japan, nor does it arrange or provide air tickets. They are to arrange their own return tickets to use on or after the date that their tenure ends.

If, however, Fellows should decide to leave Japan before the originally scheduled date of the end of their tenure, they are to contact JSPS immediately.

(2) Method of Ticket Provision ***For ETH-nominated Strategic, Short-term and Standard Fellows**

Fellows are provided tickets using a prepaid ticket advice (PTA) method. JSPS's travel agency prepays the ticket that Fellows will receive later. Fellows wishing to have their ticket prepared should submit an application to the travel agency **before the deadline stipulated in the "Air Ticket**

Application Information” guide enclosed with their Award Letter.

If Fellows should wish to change or cancel their travel itinerary after receiving their air ticket, they must do so through JSPS’s designated travel agency. Fellows must pay any extra charge incurred by changing or canceling their flights.

(3) Notes: *For ETH-nominated Strategic, Short-term and Standard Fellows

JSPS does NOT cover airfare if it judges any of the following conditions to exist, with the exception of circumstances such as a natural calamity that cannot be avoided.

- ① If Fellows do not use the ticket provided. (In case the ticket is cancelled by Fellows, they are required to pay the cancellation fee.)
- ② If the cost of the ticket increases because Fellows changed the route from that specified in Paragraph (1) ① above, they will be required to pay the additional charge.
- ③ If Fellows do not submit an air ticket application to JSPS’s designated travel agency by the deadline specified in Paragraph (2) above.
- ④ If Fellows purchase their own ticket.
- ⑤ If another organization provides the Fellows’ ticket or pays their airfare.
- ⑥ If for study, employment or other reason, Fellows are judged by JSPS to have been residing in Japan before the fellowship starting date.
- ⑦ If Fellows arrive in Japan before their tenure starts.
- ⑧ If Fellows remain in Japan after their fellowship tenure ends (return ticket). (Exception can be made for reason approved by JSPS to extend the Fellow’s stay, such as extra time to wrap up his/her research.)
- ⑨ If Fellows secure employment in Japan after their tenure ends (return ticket).
- ⑩ If Fellows have an unpaid reimbursement due to JSPS (return ticket).
- ⑪ Other cases when JSPS judges the provision of the air ticket to be inappropriate.

5. OVERSEAS TRAVEL INSURANCE

JSPS provides Fellows with pre-paid overseas travel insurance, which covers medical costs for injury or sickness during the tenure.

For details concerning the policy and the procedures, refer to the enclosed insurance description “A Guide to the Insurance Policy for JSPS Fellows” provided by the designated insurance company or contact the insurance agent noted in the Guide or the insurance company directly.

This insurance will become invalid if Fellows remain in Japan after the end of their tenure.

6. REIMBURSEMENT

If JSPS judges that it has overpaid Fellows’ allowances due to a shortening of their tenure or other reason, Fellows will be required to reimburse the overpaid amount. A “Request for Reimbursement” will be sent to Hosts via email.

When making a reimbursement, do so as soon as possible. Hosts and Institutions are responsible to see that Fellows make their reimbursements before leaving Japan.

So as to prevent the need to make reimbursements, Hosts and Institutions should maintain daily contact with Fellows, particularly with regard to their fellowship tenure and allowances as stipulated in Chapter I-4-(2)-(7), I-4-(3)-(9).

When making a reimbursement, Fellows must pay all of the transfer fees (both domestic and international handling charges). If Fellows wait to make the reimbursement until returning home, these fees will be larger (more than ¥2,500). Therefore, remittance should be made before leaving Japan.

IV. CHANGES DURING FELLOWSHIP TENURE

If a change in the Fellow's tenure, Host or Institution should occur, the Host must consult with Institutions regarding procedures that may need to be taken to adjust the research grant.

1. SHORTENING THE FELLOWSHIP TENURE [Fellows, Hosts, Institutions]

If Fellows must shorten their fellowship tenure for an unavoidable reason, they must inform their Hosts and JSPS in advance and submit Form 6 (Notice of Fellowship Completion (Shortening)) through Institutions.

In this case, Fellows may be required to reimburse JSPS the amount of allowances rendered inapplicable by the change in tenure. (Refer to Chapter III "6. REIMBURSEMENT.") If Fellows are required to reimburse JSPS for already-paid allowances but haven't done so, they will NOT be issued a return ticket until the reimbursement is made.

If Fellows shorten their tenure for the purpose of starting new employment, they will be asked to provide a written document stating whether money equivalent to the price of a return ticket will be provided by their new employer. Follow JSPS's instructions in this case.

If Fellows wait to make the reimbursement until returning home, these fees will be larger (more than ¥2,500), so **the remittance should be made before leaving Japan.**

2. EXTENDING THE FELLOWSHIP TENURE [Fellows, Hosts, Institutions]

***For Standard Fellows**

The fellowship is awarded for a period of from 12 to 24 months. In cases when the initial tenure is less than 24 months, an extension of up to a total of 24 months may be approved if JSPS deems it necessary to carry out the research.

Eligible Fellows who desire an extension should consult with their Host and submit an application for extension to JSPS through the Host and the head of the Institution. The application form can be obtained from JSPS. The application should be submitted **at least three months prior** to the expiration of the Fellows' current fellowship. **If an extension is applied for later than three months prior to the fellowship's expiration, it will not be approved.**

Extensions should be for the minimum period required to complete the research. JSPS may shorten the requested period of extension due to budget constraints. An extension may only be applied **for ONCE.**

Those Fellows who were awarded fellowships through a nominating authority and wish to extend their tenure may also need to notify the nominating authority in advance for permission to do so. Please contact JSPS for details.

Strategic and Short-term Fellows cannot extend their fellowships beyond the initially approved tenure period.

3. LEAVING FOR CHILD BEARING AND/OR INFANT NURSING [Fellows, Hosts, Institutions]

As a rule, Fellows are to devote themselves to their research at Institutions. However, to promote equal gender participation in society and to provide an environment that makes it easy for Fellows to bear and raise children, JSPS allows them to suspend their tenure when child bearing and/or infant nursing would make it difficult for them to concentrate on the research. In such cases, the following policy applies.

(1) Eligible Fellows

Female Fellows who give birth during their tenure are eligible, as are male Fellows whose wife gives birth. If desired, the fellowship may be suspended to nurse an infant up to the age of one year.

(2) Period and Number of Fellowship Suspensions

The fellowship may be suspended from six weeks prior to the date of expected delivery to one year after childbirth. This makes the maximum period of leave 15 months. **Fellows' leave is approved in one-month units from the first to the last day of each month.** In principle, this leave will only be granted once per child.

Example: Initial fellowship tenure from 1 September 20AA to 31 August 20CC

Period of maternity leave from 1 September 20BB to 30 November 20CC, with research restarted on 1 December 20DD.

	4	5	6	7	8	9	10	11	12	1	2	3
FY20AA								Do research				
FY20BB	Do research						Suspend research					
FY20CC	Suspend research									Do research		
FY20DD	Do research											

(3) Release from Research Obligation

During the leave period, Fellows maintain their status but are released from the obligation to concentrate on their research.

(4) Suspending Maintenance and Other Allowances

The Fellows' maintenance and other allowances (Refer to Chapter "III. FINANCIAL PROVISIONS") will not be paid during the leave period.

(5) Suspending Overseas Travel Insurance

Fellows will NOT be covered by this insurance during the leave period.

(6) Application Procedures

① Applying for Maternity Leave

Fellows should consult with Hosts about suspending their fellowships for child bearing and/or infant nursing. If Hosts judge that the suspension will not impede the execution of the Fellows' research plan, they may submit Form 12 (Request for Maternity Leave) to JSPS via the head of the Institution. When applying prior to childbirth, Form 12 should be submitted one month before the start of maternity leave. Then, a birth certificate or other evidence of childbirth (a copy is permissible) must be submitted soon after a child is born.

② Changing the Period of Maternity Leave

If Fellows request a change in the period of maternity leave and Hosts judge that it will not impede the execution of the research plan, Hosts may submit Form 13 (Request to Change Period of Maternity Leave) to JSPS via the head of the Institution. It should be submitted one month before the end of the leave period or one month prior to the end of the shortened leave period.

③ Recommencing the Fellowship

When the period of leave ends, Fellows are to restart their fellowships. At that time, Hosts should submit Form 14 (Notice of Fellowship Recommencement) to JSPS via the head of the Institution. It should be submitted one month before the end of the leave period.

4. TEMPORARY ABSENCE FROM JAPAN [Fellows, Hosts, Institutions]

JSPS covers the costs required for Fellows to carry out their research activities in the form of allowances. As a rule, Fellows are obligated to stay in Japan continuously during their tenures.

However, a temporary leave of absence from Japan may be approved under the following five conditions. In such cases, JSPS does not negotiate any change in the conditions or number of allowed days set for temporary absences. If a Fellow should change the length of his/her fellowship due to a shortening of tenure or other reason, the upper number of allowed leave days will change as will the number of days of allowance reduction accompanying the temporary absence from Japan.

Note carefully that if a request for leave of absence is not submitted, postdated or otherwise falsified, the fellowship may be cancelled and/or other stern measures taken against Fellows.

(1) Reasons for Temporary Absence

Fellows may be permitted to take a temporary leave of absence under the following reasons.

- ① When it is necessary for them to be temporarily out of Japan for such purposes as conducting surveys used in their research, presenting research results at an international conference, or performing other activities necessary to achieving the objectives of their research plan. (Such necessity must have been stated in the research plan of the initial fellowship application.)
- ② For other reasons deemed necessary.

Given the reason or period of the requested leave, there may be cases when JSPS requests a written explanation as to whether or not it will impede the execution of the Fellows' research plan. When leave is urgently needed due to sickness or other unavoidable reasons, Institutions should consult with JSPS right away.

(2) Limitations of Leaves of Absence

To facilitate JSPS's processing of final allowances and other severance arrangements, Fellows are, as a rule, NOT allowed to take leave during last 30 days of their tenure.

(3) Maximum Length of Leave of Absence

The maximum number of cumulative leave days allowed for Fellows is shown below.

If the total number of days that a Fellow takes temporary leave from Japan exceeds the upper limit specified in the table below, JSPS will judge the last day of departure from Japan to be the ending date of the Fellowship.

Tenure	Maximum leave days
13 or more months	150 days
From 9 up to 12 months	75 days
From 5 up to 8 months	30 days
Up to 4 months	15 days

Example:

The Fellow's tenure in Japan was 4 months (the tenure starts from 1 April 20XX and ends on 31 July 20XX) and the total number of days in the first period of temporary leave was seven. The next period of temporary leave had been scheduled to be 8 days (from 15 June to 22 June), but due to circumstances (including delays due to bad weather, etc.) the return date was actually 23 June. In this case, JSPS judges 15 June to be the ending date of the Fellowship because the total number of days of the temporary leave exceeded the upper limit of 15 days. Also, the Fellow will be required to reimburse the allowances that had been provided for the period of 16-30 June.

(4) Reduction of allowances accompanying leaves of absence

Allowances are paid to cover the costs of Fellows' stays in Japan for the purpose of carrying out research activities **in Japan** during their tenures. Accordingly, Fellows' allowances may be reduced or required to be returned based on the length of their stays away from Japan.

When, however, Fellows take a leave of absence for the purposes described in paragraph (1)① above, their allowances may not, as an exception to the rule, be reduced if the leave is judged to advance their research activities in Japan. **In the case of leaves taken under paragraph (1)② above, Fellows will, based on the calculations in the table below, be required to return a portion of their allowances or the portion will be deducted from their following month's allowances. Please bear this in mind when requesting a leave of absence.**

For tenures of 13 or more months

Number of accumulated leave days for reasons in para (1)②	Allowance reduced
41-56 days	0.5 months
57-72 days	1 month
73-88 days	1.5 months
89-104 days	2 months
105-120 days	2.5 months
121-136 days	3 months
137-150 days	3.5 months

For tenures of 9-12 months

Number of accumulated leave days for reasons in para (1)②	Allowance reduced
21-36 days	0.5 months
37-52 days	1 month
53-68 days	1.5 months
69-75 days	2 months

For tenures of 5-8 months

Number of accumulated leave days for reasons in para (1)②	Allowance reduced
16-30 days	0.5 months

For tenures up to 4 months

Number of accumulated leave days for reasons in para (1)②	Allowance reduced
1-15 days	none

(5) Submission of Form 4 (Notice of Temporary Absence) and Form 5 (Report of Temporary Absence)

JSPS must be informed in advance. Fellows wishing to take temporary leave must first obtain their Hosts' permission. Upon confirming the Fellows' intention, Hosts fill out Form 4 (Notice of Temporary Absence) and submit it to their Institution, which sends it (in PDF format) to JSPS via email. In this way, JSPS's permission is to be obtained at least two weeks in advance of the Fellows' departure. Then, within one week after the Fellows' return to Japan, Hosts are to submit Form 5 (Report of Temporary Absence) and a copy of the Fellows' passport (showing the date of the re-entry stamp) via their Institutions to JSPS.

Institutions are to keep count of the number of cumulative days of leave of absence taken by Fellows.

*In calculating the number of leave days, note that the days of departure and arrival in Japan are also included. (Example: 1 July 20XX (leave Japan) – 10 July 20XX (arrive in Japan): 10 days)

***Fellows should be sure to ask for an official to stamp their passport if they use the automated gates at the airport.**

5. CHANGING HOSTS OR INSTITUTIONS [Fellows, Hosts, Institutions]

(1) Purpose of Changing Hosts or Institutions

Fellows are awarded fellowships based upon the joint research plan with their Hosts, the prospects of achieving the plan's objectives, and an inspection of the Institutions' setup for receiving Fellows. As changing Hosts or Institutions are deemed to alter the basis for approving the joint research, such requests are not granted as a rule. If JSPS deems it impossible or extremely difficult to achieve the objectives of the initial research plan stated in the fellowship application form, the fellowship will be canceled.

This policy notwithstanding, there are times when JSPS may judge a change of Hosts and/or Institutions not to impede the progress of the joint research stipulated in the initial research plan and grant permission for Fellows to make the change.

Such permission may be given for the following reasons:

- (a) **When Hosts become sick, die or are otherwise unable to continue the joint research.**
- (b) **When Hosts transfer to another institution and Fellows transfer to the same institution.**
- (c) **When continuing the fellowship under Hosts and/or Institutions would render it impossible or extremely difficult to achieve the objectives of the initial research plan and changing one or both of them would make it possible to achieve those objectives.**

(2) Procedure for Changing Hosts

① Procedures that current Hosts should carry out before changing Hosts

When Hosts consider it necessary for Fellows to change Hosts, they should first contact JSPS via their Institution, and then send Form 9-1 (Request for Change of Host Researcher/Host Institution) to JSPS via the head of the Institution. In the case of a change in the Host's Institution, this form should be submitted to JSPS via the head of the new Host's Institution. When requesting a change of Hosts a letter should be attached explaining the followings.

- (a) **Why changing Hosts will not impede the execution of the research plan.**
- (b) **New Hosts' familiarity with the subject research and suitability to carry it out.**
- (c) **A profile of new Hosts and a list of their research results.**
- (d) **A statement from new Hosts stating that they are willing to accept the Fellows.**

② **Procedures that new Hosts should implement**

New Hosts are to submit Form A-2 (Notice of Acceptance) to JSPS via their Institutions before changing Hosts.

(3) **Changing Institutions**

When Hosts transfer to other Institutions, they should contact JSPS and submit Form 9-1 to JSPS via the head of the new Institution.

(4) **Changing of Institutions' Information**

JSPS should also be contacted using Form 9-1, if the name of Institutions changes due to its conversion to an "independent administrative institution" or other reasons. At that time, Host Researchers who are hosting more than one Fellow or are scheduled to do so should list and submit the Fellows' names and fellowship IDs, including the contents of any changes. This information may be submitted by separate sheet.

(5) **Procedures for the Host who has been transferred within the same Institution**

Hosts should submit Form 9-2 (Notice of Change in Host Researcher's Status within Host Institution) to JSPS **when their information has been changed** due to circumstances such as:

- The Host's department, position or contact information has changed due to a promotion at the same Institution
- The Host has changed his/her family name and uses that name at work.

If when transferring the Host has or plans to accept more than one fellow, a separate sheet should be attached to Form 9-2 giving all the Fellowship IDs and names along with a note on the Host's information change.

V. GRANT-IN-AID FOR JSPS RESEARCH FELLOW

*For Standard Fellows Only

The “Grant-in-Aid for JSPS Research Fellow (*Tokubetsu Kenkyuin Shorei-hi*)” is to be used by Fellows and their Hosts to carry out joint research during the period of the Fellow’s tenure. The application for the grant is made by Hosts.

1. APPLYING FOR A GRANT-IN-AID

JSPS issues Application Guidelines for the “Grant-in-Aid for JSPS Research Fellows” at the end of January of each year. Hosts, who are the research representative under this program, submit their applications via the host institution to JSPS.

Application submittal periods are provided within the fiscal year based on the timing of Fellow’s arrival in Japan. If a Fellow’s arrival in Japan will be delayed, notification of such is to be quickly given JSPS via the host institution.

The maximum amount of the grant differs by Panel Review Section and length of fellow tenure as shown in the chart below.

Funding Categories	Maximum amount of grant	
	Fellowship tenure: 24 months	Fellowship tenure:12-23months
Lab research	¥2.4 million (Up to ¥1.2 million per fiscal year)	¥1.2 million
Non-lab research	¥1.6 million (Up to ¥ 0.8 million per each fiscal year)	¥0.8 million
Special research*	¥3.0 million (Up to ¥1.5 million per fiscal year)	¥1.5 million

* The special category is for cases where a proposal submitted in the Lab research category requires additional research funding that exceeds the maximum grant amount. Only a small number will be funded.

For more details about the Grant-in-Aid for JSPS Research Fellow (*Tokubetsu Kenkyuin Shorei-hi*), please see the Application Procedures of the subject fiscal year.

2. ELIGIBILITY FOR GRANT-IN-AID FOR JSPS RESEARCH FELLOWS

To apply for a Grant-in-Aid for JSPS Research Fellows, more than four months of the Fellow’s tenure must be in the first fiscal year. If the Fellow’s research continues into the next fiscal year, more than two months of tenure are required in that fiscal year. When a Fellow’s tenure is four months or less in the first fiscal year or two months or less in the next fiscal year, please cancel your Grant-in-Aid after receiving the official grant-disbursal decision.

If anything should be uncertain about the application or funding procedures for this Grant-in-Aid, please check with the below-noted JSPS offices **via the administrative office of your host institution.**

VI. RESEARCH SUPPORT ALLOWANCE

***For Short-term and Strategic Fellows Only**

This allowance is to be used by Fellows and Hosts to carry out their joint research during the period of the Fellows' tenure. Application for the allowance is made by Hosts. Adequate consultation should be carried out between Fellows and Hosts as to the use of the allowance for conducting research or surveys. The allowance is to be used to cover costs directly related to the implementation of the joint research/surveys and compiling/reporting the results.

1. APPLYING FOR THE RESEARCH SUPPORT ALLOWANCE

Form 15 (Application for Research Support Allowance) needs to be submitted by Hosts to JSPS to apply for this allowance. **Form 15 must be submitted at least three weeks prior to the start of the Fellows' tenure.** Hosts should contact JSPS in advance when this deadline cannot be met. JSPS does not accept Form 15 after the start of the Fellows' tenure.

This allowance may be applied for in an amount of up to ¥70,000 × number of months of tenure. Note that the unit of payment is calculated based on ¥70,000 × an integer (whole number).

As a bank transfer notice is not issued, Institutions should verify whether the money has been remitted into the bank account specified in Form 15.

2. MANAGING THE RESEARCH SUPPORT ALLOWANCE

Hosts are to entrust the management of this research support allowance to their Institutions, which manage it as a “deposit” using appropriate accounting rules and entries.

Note that it cannot be transferred to the same account used for Grants-in-Aid for Scientific Research.

Check the “Rules of the Research Support Allowance Usage” in the next page and Institutions' regulations; then, manage and execute this allowance accordingly.

Within one month after the Fellows' tenure ends, Hosts must submit Form 16 (Research Support Allowance Expenditure Report).

In addition, if there is unused allowance at the end of the Fellow's tenure, it must be returned to JSPS. Regarding the procedure for returning of the allowance, JSPS will contact the Institutions after receiving Form 16.

3. PROCESSING CHANGE OF HOST INSTITUTION

(1) Submitting Research Support Allowance Expenditure Report Form 8

As a rule, the receiving institution is to submit Form 8 when a Fellow changes host institution. If, however, all of the Fellow's Research Support Allowance has been spent before moving to the new host institution, the sending institution is to submit the Form 8 before the Fellow leaves.

(2) Handling unused Research Support Allowance and related documents

When there is still unused Research Support Allowance, the sending institution is to transfer it to the receiving institution along with copies of the related documents. The originals are to be maintained by the sending institution.

*** For the required forms, details and updated information, inquire at your nearest Japanese Embassy or Consulate.**

***Note that JSPS is not in a position to answer inquiries or make an arrangement regarding visa applications for Fellows and family members.**

1. Obtaining a Certificate of Eligibility

This certificate is issued to show that the bearer satisfies the conditions of entry into Japan prescribed by Japanese Immigration Law. Having a Certificate of Eligibility when applying for a visa speeds up its processing. This is because it certifies that the applicant has already been screened and satisfies the government’s requirements for obtaining his/her visa status and for landing in Japan. However, just having a Certificate of Eligibility does not guarantee that the applicant will be issued a visa.

Hosts should first ascertain whether or not Fellows need to obtain a Certificate of Eligibility by inquiring at their Institution or an Immigration Office. If required, the documents needed to apply for the Certificate of Eligibility must be prepared by the Host and Host Institution and submitted to the nearest Immigration Office. After receiving the certificate, they must be sure to forward it to Fellows. The following documents are needed to apply for the Certificate of Eligibility. No fees are charged.

- (1) Application for Certificate of Eligibility (The application sheet should be filled out and stamped by Institutions)
- (2) An ID photograph (H4cm×W3cm)
- (3) A copy of the Award Letter and Certificate of Financial Support from JSPS
- (4) A copy of the Fellow’s CV accompanying his/her fellowship application
- (5) An extract from the JSPS Law (copy Appendix B)
- (6) Program Guidelines (this booklet is necessary to explain the fellowship.)
- (7) A self-addressed stamped envelope (standard size)

2. Obtaining a Visa

Fellows must enter Japan within the period specified in the visa, otherwise the visa issued will become invalid.

Generally, Fellows will need to bring the following documents when applying for a visa;

- (1) A valid passport
- (2) A copy of the Award Letter and Certificate of Financial Support from JSPS
- (3) A copy of the Fellow’s CV accompanying his/her fellowship application
- (4) Two ID photographs (H4cm×W3cm)
- (5) An extract from the JSPS Law (copy Appendix B)
- (6) A Certificate of Eligibility (Hosts will prepare it)

Submit copies, not originals, of the Award Letter and Certificate of Financial Support, as you may need to use them again. However, take the originals with you just in case when applying for the visa.
