

Research Report

All the participants are requested to submit a research report before the completion of your fellowship tenure.

The participants' reports on the results of their 2 months of research in Japan will be posted on JSPS's Website.

Reports should be prepared in the manner prescribed below. Please note that if your report does not follow these instructions, we may need to edit the layout (though we will not change the contents).

- Use the format downloadable from the following address:
<http://www.jsps.go.jp/english/e-summer/pro2022/main.html>
- **Keep the length of your report within 2 pages.**
- Prepare your report using MS-Word format.

Please submit your report by E-mail (jsps2020-ecc5@or.knt.co.jp) **before the completion of your fellowship tenure:**

- Title : (SP22XXX) Research Report
- File name : SP22XXX_research report
- File type : **both MS-Word and PDF format**

Tel (start with country code) (ex. +81-3-3263-XXXX)			
E-mail Address Enter this if you will have a new email address in the future.			

※The information you provide will only be used for informing the alumni association.

Welcome to the JSPS Alumni Follow-Up Activities

Considering JSPS former Fellows to be valuable assets in advancing research between Japan and its counterpart countries, JSPS places great importance on follow-up activities aimed at retaining contact and communication with and among them. Since 1995, JSPS has supported to organize JSPS Alumni Associations and so far **20** associations are officially established and **8,000** Fellows are now members of alumni associations in their countries or areas. In cooperation with JSPS, they actively hold academic symposium, general assemblies among members annually, maintain website and publish useful newsletters regularly. Please visit our homepage and check which association is suitable for you!
