

Number of Applications and Selections FY2015 Re-Inventing Japan Project

Categories		Main Counterpart Countries		Total
		Latin America and the Caribbean	Turkey	
Applied	National	12	8	20(18)※
	Public	1	0	1
	Private	12	1	13
	Total	25	9	34(32)※
Selected	National	6	3	9(8)※
	Public	0	0	0
	Private	2	0	2
	Total	8	3	11(10)※

※The numbers in parentheses are the number of universities.

The total number of "programs" and "universities" do not correspond because there are Japanese universities that applied for or were selected for two programs with both countries in "Latin America and the Caribbean" and "Turkey".

List of Selected Projects FY2015 Re-Inventing Japan Project

※ Marked ○: Representative university

※ The names of the overseas counterparts are those stated in the application documents submitted by each university.

【Main Counterpart Country : Latin America and the Caribbean】

Name of University	Sector	Project Title of the Application	Name of Overseas Counterpart University
1 ○Yamagata University, Yamagata Prefectural Yonezawa University of Nutrition Sciences, National Institute of Technology, Tsuruoka College	National	”Double Triangle Program” between Yamagata and Andean Countries	6 The Pontifical Catholic University of Peru (Peru), National University of Engineering (Peru), National University of San Marcos (Peru), National Agrarian University – La Molina (Peru), Higher University of San Andres (Bolivia), University of Talca (Chile)
