

OIST-Keio SHOWCASE TALK

Series Vol. 9

Proteins in Focus: Cryo-EM and Structural Frontiers

OIST

Paola Laurino
Protein Engineering and Evolution Unit

Oleg Sitsel
Marine Structural Biology Unit

Matthias Wolf
Molecular Cryo-Electron Microscopy Unit

Keio University

Eita Sasaki
Faculty of Pharmacy

Kuni Suzuki
Human Biology Microbiome Quantum
Research Center (Bio2Q)

Takanori Yokoo
School of Medicine

(OIST/Molecular Cryo-Electron Microscopy Unit)

The University of Osaka

Takayuki Kato
Institute for Protein Research

Genji Kurisu
Institute for Protein Research

Tue., Jan. 27, 2026

9:30–16:30

OIST B250

Sydney Brenner Lecture Theater

Registration
required
