Youthful brilliance scintillates in summer Japan

Summer Program

2024

JSPS Summer Program provides opportunities for young pre- and post-doctoral researchers from North America and Europe to receive an orientation on Japanese culture and research systems and to pursue research under the guidance of host researchers at Japanese universities and research institutes over a period of two months during the summer.
Schedule

**Eligibility**
Master's/doctoral students and/or postdoctoral researchers from the US, the UK, France, Germany, Canada and Sweden: Varying with the country.

**How to Apply**
Contact the nominating authority in your country.
