

6th Annual Symposium on Japanese-American  
Frontiers of Science  
The Japan Society for the Promotion of Science  
U.S. National Academy of Sciences  
Shonan Village, Kanagawa, Japan  
December 8-10, 2003

Sunday, December 7, 2003

15:00 on Check in  
20:00-22:00 Welcome Reception

Monday, December 8, 2003

7:30-8:20 Breakfast  
8:30-8:45 Opening Ceremony  
8:45-10:45 **Session I Neutrino Astronomy**  
10:45-11:00 Coffee Break  
11:00-13:00 **Session II Solid/Fluid Interactions of the Earth**  
13:10-18:00 Cultural Tour (Lunch included)  
18:00-19:30 Dinner  
19:30-21:00 Preposter Flashtalks (1minute each)  
and Poster Session I

Tuesday, December 9, 2003

7:30- 8:20 Breakfast  
8:30-10:30 **Session III Prediction/Predictability**  
10:30-11:00 Coffee Break  
11:00-13:00 **Session IV Quantum Computers/Cryptography**  
13:00-14:00 Lunch  
14:00-16:00 **Session V Microorganisms in the Extremes/  
Microbial Ecology**  
16:00-18:00 Poster Session II / Coffee Break  
18:00-19:30 Dinner  
19:30-21:00 After Dinner Lecture  
by Prof. Yoichiro Murakami

Wednesday, December 10, 2003

7:30-8:20 Breakfast  
8:30-10:30 **Session VI Photonic Crystals**  
10:30-11:00 Coffee Break  
11:00-13:00 **Session VII Biological Function of Sleep**  
13:00-14:00 Lunch  
14:00-16:00 **Session VIII Small Inhibitory RNAs**  
17:00-19:00 Farewell Reception

Thursday, December 11, 2003

7:30-8:20 Breakfast  
10:00 Check out
