Procedures for Preparing and Entering a Research Proposal Document for JSPS Research Fellows [JSPS International Research Fellow] FY2020

Applicants for the KAKENHI should fill in this **Research Proposal Document**, giving details of the research project based on the Application Procedures, and submit it **to the Independent Administrative Legal Entity Japan Society for the Promotion of Science** (hereinafter referred to as JSPS) prior to application. This Research Proposal Document is used as a review material at the JSPS Scientific Research Grant Committee.

The applicant should fill in the form correctly, while taking the following points into account.

When the application is adopted as a result of the review at the Scientific Research Grant Committee, a notice concerning the provisional grant decision will be issued. By the form of the formal application for grant delivery, the submission based on the notice will be done. The KAKENHI will be disbursed if the research plan, etc. are acknowledged as appropriate.

The principal investigator (host researcher) will receive a login ID and password for the Cross-Ministerial R&D Management System (e-Rad system) from his/her host research institution to use in accessing JSPS Electronic Application System. Application entries are entered directly into the Electronic Application System. When filling out the application (preparing your Grant-in-Aid Proposal), please follow the instructions provided in each section.

Items to be noted

The following items will be automatically displayed on the application form. If errors are found in the automatically displayed information, put the system on “Temporarily Save” and contact the admin office of your research institution for instructions.

- **Name of the Host (Principal Investigator)**
- **Researcher Number**
- **Research Institution**
- **Academic Unit**
- **Position**
- **Panel Review Section/Research Category (of JSPS International Research Fellow)**
- **Name (of JSPS International Research Fellow)**
- **ID Number (of JSPS International Research Fellow)**
- **Nationality (of JSPS International Research Fellow)**
- **Title of Proposed Project**

1. “JSPS International Research Fellow” section

1) Funding Category” section

Select your researcher status including whether it is for Lab-Research, Non-Lab Research, or Special Research.

2) “Fellowship Tenure” section

Automatically displayed are starting date and months of the Fellow’s tenure recorded in his/her notice of selection. If these have changed, please enter the corrected data. By pushing the “Recalculate” button, the last day of the tenure will be automatically displayed. If, however, the first day of the Fellow’s tenure is postponed and it causes a delay in the application period, the change in tenure may not be made until that application round begins. (For the application rounds, please see page 23 of the “Application Procedures for Grants-in-Aid for

2. “Research expenditure” section

Make entries based on your research plan. Amounts should be entered in units of a thousand yen in the “Fiscal Year” and “Item” columns. (Numbers will be rounded down to the closest thousand yen.). Enter an amount of ¥100,000 or more for the total research expenditure in each fiscal year of your research period. (Amounts of less than ¥100,000 will be cut in ¥100,000 units.)

(1) “Equipment costs” section

When several books and/or documents are purchased, their contents should be clearly described, such as a “Book on medieval political history in the West.”

(2) “Consumables expense” section

Enter the name of each chemical, lab animal, glass tool and other items to be purchased.

(3) “Travel Expenses” section

Domestic and overseas trips by the principal investigator, co-investigator, and research collaborator(s) for such travel as to conduct surveys/research, attend research meetings, report research results. Costs covered include travel expenses, lodging costs, and per diem (Per diem to International Research Fellow is not included in the funding). Enter each cost item.

(4) “Personnel cost / Honoraria” section

Enter costs for research collaborators who provide research assistance and/or specialized knowledge (e.g. postdocs, research assistants (RAs), researchers affiliated with overseas institutions). Costs covered include remunerations, honoraria, wages, funds, salaries, and payment to temporary-help companies. Enter each cost item.

(5) “Miscellaneous expenses” section

Additional costs required to carry out the subject research, including costs for printing, copying, developing, imprinting, and communication (e.g. stamps, telephone), delivery costs, rental/leasing costs for experiment lab (only when it would be difficult to carry out the activity using a facility of the host research institution), meeting costs (renting meeting space, food (except alcoholic beverages), lease and rental items (e.g. computers, cars, experimental equipment, tools), equipment repair costs, transportation other than travel, costs related to reporting research results (e.g. manuscript submission fees, homepage preparation, pamphlets for advertising research results, carrying out activities to promulgate research results to the public), disposal of experimental wastes. Enter each item.

3. “Purpose of the Research” section, “Research Plan” section

Please make entries following the instructions in this section. **You may use English.**

4. “Reason for the Application as Special Research” section

If you choose “Special Research” (funding in an amount that exceeds the Lab-Research limit) or if in the Panel

Review Sections (Research Category) you choose “Lab-research” for a humanities or social science project, please give a clear and concise reason for doing so. **You may use English.**
