Procedures for Preparing and Entering a Research Proposal Document for "JSPS Research Fellows [JSPS Research Fellow]" FY2021

Applicants for the KAKENHI should fill in this **Research Proposal Document**, giving details of the research project based on the Application Procedures, and submit it to the Independent Administrative Legal Entity Japan Society for the Promotion of Science (hereinafter referred to as "JSPS") prior to application. **This Research Proposal Document is used as a review material at the JSPS Scientific Research Grant Committee.**

The applicant should fill in the form correctly, while taking the following points into account.

When the application is adopted as a result of the review at the Scientific Research Grant Committee, a notice concerning the provisional grant decision will be issued. By the form of the formal application for grant delivery, the submission based on the notice will be done. The KAKENHI will be disbursed if the research plan, etc. are acknowledged as appropriate.

The principal investigator (JSPS Research Fellow) will receive a login ID and password for the JSPS Electronic Application System from his/her host research institution (the research institution at which s/he conducts research). The ID and password are used to access the KAKENHI Electronic Application System and input the application information.

When filling out the Research Proposal Document, please follow the instructions provided in each of its sections.

Items to be noted

The following items related to the application form that the Research Fellow submitted for the JSPS Research Fellowship for Young Scientists will be automatically displayed on the application form. They are taken from your application for the JSPS Research Fellowship for Young Scientists. If errors are found in the automatically displayed information, put the system on "Temporarily Save" and contact the admin office of your host research institution for instructions.

- Reception Number
- Fellowship Category
- Review Section
- Starting Date of Fellowship Tenure
- Name
- Host Research Institution
- Title of Proposed Project

1. "Funding Category" section

In the "Funding Category," select your researcher status including whether it is for Lab-Research, Non-Lab Research, or Special Research.

2. "Researcher Number" section

If you have a researcher number, please enter it.

3. "Host Academic Unit" section

DC1 and DC2 Fellows: Input your graduate department. PD and RPD Fellows: Enter either the department of your affiliated lab or your research institute (etc.). If the automatically displayed Host Academic Unit is incorrect or the space is blank, please enter your correct Host Academic Unit.

4. "Office of Research Administration (Number)" section

From the list, chose and enter the number of your Office of Research Administration (the office that verifies the content of your Grant-in-Aid Proposal).

As a rule, this number is the automatically displayed number of your host researcher's affiliated office. If, however, the displayed Office of Research Administration is different from that of your host researcher's affiliated office, please input the correct office number. If the host researcher's number space is blank, please enter the number. If an incorrect office number is entered, the unit administrator at the host institution will not be able to you're your Research Proposal Document. Therefore, care should be taken when entering it. If the office number is not known, it should be obtained in advance from the host research institution or host office.

5. "Host Researcher" section

Automatically displayed is host researcher information obtained from his/her researcher number recorded in your application form for the JSPS Research Fellowships for Young Scientists. <u>If you would like to amend this section</u>, check the item "Revise information of the Host Researcher," and amend the desired places.

If in the application form for JSPS Research Fellowships for Young Scientists, the host researcher number is entered in error, this space will be blank. Therefore, please enter the host researcher's correct researcher number.

If you want to revise the host researcher information because there has been a change in his/her name, unit or position vis-a-vis that recorded in your application form for JSPS Research Fellowships for Young Scientists, a "Notice of Change of Host Researcher" must be submit to JSPS (Research Fellowship Division). (This notice is not required in the case of an erroneous researcher number.)

6. "Research expenditure" section

Make entries based on your research plan. Amounts should be entered <u>in units of thousand yen</u> in the "Item" columns. (Numbers will be rounded down to the closest thousand yen.) Enter an amount of ¥100,000 or more for the total research expenditure in each fiscal year of your research period. (Amounts of less than ¥100,000 will be cut in ¥100,000 units.)

By pushing the "Recalculation" button, the Subtotal and Annual Budget amounts will be automatically displayed. Extra lines may not be added. Bundle related goods and articles together and enter them within the prescribed number of lines.

Note the following points when entering details of each expense. However, the way to journalize each expense should be handled in accordance with such as the accounting rules of the research institutions to which the applicant belongs including but not limited to the following examples.

(1) "Equipment costs" section

When several books and/or documents are purchased, their contents should be clearly described, such as a "Book on medieval political history in the West" (As for the books, the same way to journalize should be applied even if they were not handled as equipment.).In the case of machinery and equipment, simply enter a set of XXX as well as its breakdown.

(2) "Consumables expenses" section

Enter the name of each chemical, lab animal, glass tool and other items to be purchased.

(3) "Travel Expenses" section

Domestic and overseas trips by the Principal Investigator and Research Collaborator(s) (for such travel as to conduct surveys/research, attend research meetings, report research results, etc.). Costs covered include travel expenses, lodging costs and per diem. Enter each cost item.

(4) "Personnel cost / Honoraria" section

Enter the expenditures for each matter such as honoraria, compensation, wages and salaries to Research Collaborator(s) (postdoctoral researchers, research assistants (RA), researchers belonging to overseas research institutions, and others) who engaged in organizing materials, assisting in experiments, performing translation or proofreading, providing technical knowledge, distributing and collecting questionnaires and collecting information materials for research), and payment to temporary staff agencies. In addition, enter the status—at—the—time—of collaboration (such as—project assistant professor, postdoctoral fellow, student in Doctoral course/Master's course, etc.) of the people to whom the personnel cost or honoraria to be paid if it is obvious. (Example)—Organizing materials: [breakdown: X—(number of students in Doctoral courses—)—× Y (number of months)]—= XXXX yen (Refer to the Application Procedures for Grants-in-Aid for Scientific Research.)

(5) "Miscellaneous expenses" section

Additional costs required to carry out the subject research, including costs for printing, photocopying, developing printing, correspondence (stamps and phone calls), transport, rental or leasing the research facilities (only where the grant-aided project cannot be conducted in the facilities of the research institution), meeting (rental of the venue and meals (excluding alcohol)), equipment rental (e.g. computers, automobiles, experimental equipment), equipment repair costs, transportation other than travel expenses, presentation of the research achievements (fees for contributing to the publications of academic societies, website creation, and preparation of pamphlets to publicize the research achievements, costs of PR activities disseminating research achievements to the general public, and other matters), experiment waste disposal cost. Enter each item.

Enter the expenditures to carry out the research (e.g. the costs for printing, photocopying, developing/printing, correspondence (stamps and phone calls), transport, renting or leasing the research facilities (only where the grant-aided project cannot be conducted in the facilities of the research institution), meetings (rental of the venue and meals (excluding alcohol)), equipment rental (e.g. computers, automobiles, experimental equipment), equipment repairs, transportation other than travel expenses, presentation of the research achievements (fees for contributing to the publications of academic societies, website creation, and preparation of pamphlets to publicize the research achievements, costs of PR activities disseminating research achievements to the general public, and other matters), experiment waste disposal cost, item by item.

7. "Purpose of the Research" section, "Research Plan" section

Based on the contents of your application form for JSPS Research Fellowships for Young Scientists, make entries following the instructions in each section. **You may use English**.

8. "Reason for the Application as Special Research" section

If you choose "Special Research" (funding in an amount that exceeds the Lab-Research limit) or if you choose "Lab-research" in the Review Section for a humanities or social science project, <u>please give a clear and concise reason for doing so.</u> You may use English.

9. "The Status of Application and Acquisition of Research Grants" section

Please fill out this section accurately if other than the Grant-in-Aid for JSPS Research Fellows you are currently applying for another grant under a different KAKENHI category or under another competitive research funding system (including an overseas system), or if you are scheduled to receive funding under another KAKENHI category or under another competitive research funding system in or after FY 2021. When filling it out, please be sure that the information in this section is used to determine that no unreasonable duplication and/or excessive overconcentration exists in your grant allocation and that you will be able to fully implement the Fellow's project while at the same time carrying out another grant-supported project. (This only applies if your participation in the other project(s) is as a Principal Investigator or Co-Investigator.)

(1) "Research Funding in the application stage or to Be Provided" section

When applying for a research project in FY 2021, choose "in the application stage" If you were selected for a project in FY 2020 and will receive funding in FY 2021, choose "To Be Provided."

(2) "Role" section

Select either "代表" (Principal Investigator) or "分担" (Co-Investigator).

(3) "Funding System / Research Grant name (Funding Agency Name)" section

Select the name of the funding system. If you select "その他(Other)," enter the name of the funding system.

(4) "Research Period" section

Enter the period of the research project.

(5) "Title of the Research Project" section

Enter the title of the research project.

(6) "Name of the Principal Investigator" section

If you chose "Co-Investigator," in "Role" section, enter the name of the Principal Investigator.

(7) "Budget for FY 2021 (throughout the Period)(in units of thousand yen)" section

In the upper box, enter the amount of direct funding that you, JSPS Research Fellow, will use in FY 2021 (amount being applied for). In the lower box, enter the total amount of funding that you will use throughout the project period (scheduled funding).

If you are a Co-Investigator, enter the amount of co-funding (scheduled funding) you will use in FY 2021 in the upper box, and the total amount of your funding (scheduled funding) in the lower box.

(8) "Distinction of the research contents and Reason for submission of this KAKENHI application in addition to the other projects" section

Describe the difference between the Grant-in-Aid for JSPS Research Fellows you are applying for and the funding you are or will apply for under other KAKENHI categories or other competitive funding systems. Be concise and focused. If you are the principal investigator, enter the total amount of your direct funding for the entire project period in the "total amount" space.
