

CAMPUS LIFE

PRESENTED BY

HSIN SHIH (DOSHISHA)

THANH NGA (KYOTO)

Content

- o Current situation
- o Positive aspects
- o Problems
- o Proposals

Current situation

- o Number of international students are increasing
- o Events for international students and Japanese students are being held
- o Other organizations run by students
- o Organizations for international students

Positive aspects

- o Universities are getting more international
 - ✓ International clubs are being started
 - ✓ Many events such as lunch meetings, shared kitchen, language exchange

Positive aspects

- Inter-university exchange
- Career advising support for international students

Problems

- o Lack of regular interaction between Japanese and international students
- o Language barrier and cultural differences
- o Lack of centralized organization
 - ✓ Chinese and Korean student groups operate independently
- o Separated in different campuses

Problems

- o Low attendance for events
- o Most clubs and circles only have Japanese information
- o Lack of outreach
- o Segregation between Japanese and international students on campus

Proposals

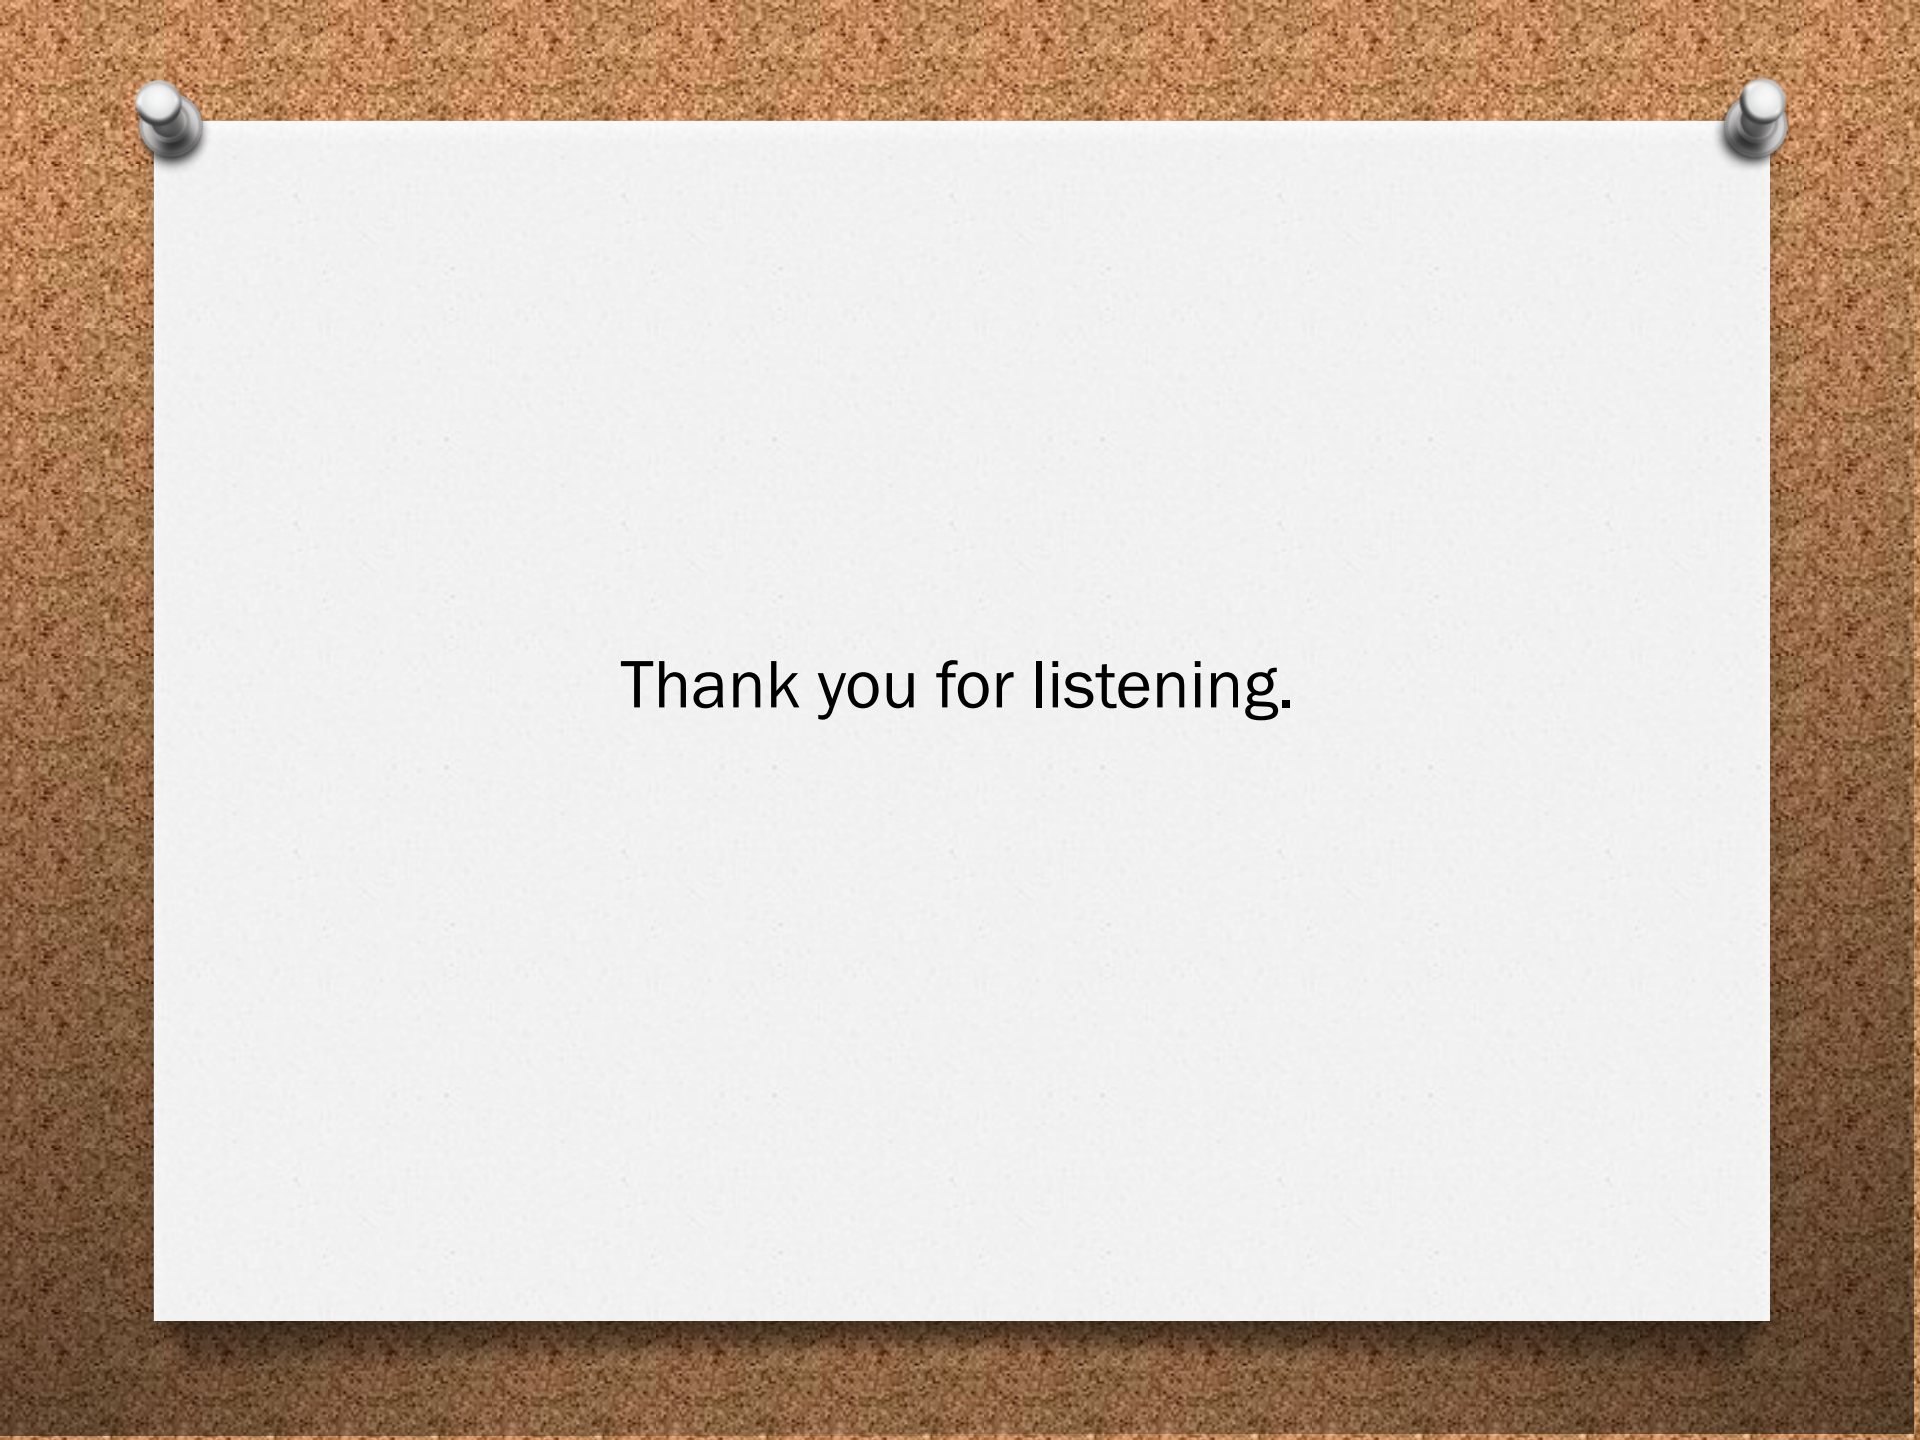

- o More ways to let students know about information
 - ✓ Bilingual newsletter
- o Expose students to international exchange
 - ✓ Campus life would improve if there is more interaction
- o Find a leader

Proposals

- o More initiative from international students
- o More international events on regular basis
- o Active newsletter for international students

Proposals

- o More meeting space
 - ✓ Utilize these space with events
- o Find sponsors
- o Direct access to university president
 - ✓ Example: SCIKyu in Kyushu University
- o More support from university

Thank you for listening.
