(in Japanese)
- Lecture summary (講演概要): Please summary your lecture 200-500 words.
First, I introduced myself and my home country. Next, I explained my previous research in PhD course which was about Gastric Cancer (GC). I also introduced my current project which is about retinoblastoma (Eyes cancer). I was tried to speak very slowly and simple as well. Finally, students asked many questions about cancer research and thereby, I think my talking was intersting for high school students.
