- Lecture title (講演題目): (in English) My Journey for Scientific Research

(in Japanese)

- Lecture summary (講演概要): Please summary your lecture 200-500 words.

The lecture was delivered mainly based on my personal experience. The lecture had three parts: in the first part I described about my motherland India and her people, their lives culture etc. The second part tells the short story of my own career. In the third part I presented some of my research work starting from a very basic chemistry making it easy-to-understand for the high school students. After the presentation, I with the students also performed some experiments on related reactions as described in the lecture. The lecture and the demonstration undoubtedly motivated the students a lot.
