Activity Report -Science Dialogue Program-
(サイエンス・ダイアログ事業 実施報告書)

- Fellow's name (講師氏名): SHIN Sang Phil (ID No. P14398)

- Participating school (学校名): Wakasa High School

- Date (実施日時): 19/6/2015 (Date/Month/Year: 日/月/年)

- Lecture title (講演題目): (in English) Fish-Parasite and Veterinarian

(in Japanese) 魚 - 寄生虫および獣医

- Lecture summary (講演概要): Please summary your lecture 200-500 words.

Hello. Everyone.

My name is SHIN Sang Phil and I am from Korea and working at Kinki University as post-doctor now. Glad to meet you. I want to make a memorable time with together.

First, I want to talk about Korea. When you heard the word "Korea", what do you come to mind? Is it first time hear the word? Have you heard Kimchi, Bulgoki and Gangnam-style that are represent the Korea, Let's talk about whatever you known Korea.

Today, something prepared are my growth containing something of Korea. I will talk about my hometown, childhood, education system of Korea, University, Major and Hobby. I am a veterinarian (Doctor of animal). Perhaps you can image some doctor treating with dog or cat when you heard the Veterinarian. Unfortunately, I do not know well the dog and cat because I have studied the fish pathology or fish disease until now. I would like to introduce to you two interesting case today. Let's diagnose the case thinking you are Veterinarian.

Have you been to other country? I visited Thailand, Vietnam, Portugal and Japan to attend some conferences. I think that the best way to know the countries is going to the countries directly and seeing, hearing, and feeling. But today I want to talk about feeling briefly when I was there seeing the photographs.

Next, I will talk about why and how I came to Japan and introduce my first life of Tokyo. Of course, I think you know about Japan well and more than me. What I want to talk is some episodes experienced and places traveled for living in Japan.

Lastly, I will introduce the Kinki university and general contents of parasite. Hope you have been heard about Kinki university at least one time. My present research also will be introduced and we will observe some of parasite samples fixed 70% ethanol.

Thanks for applying my lectures and wish to enjoy with together.

- Language used (使用言語): English

- Lecture format (講演形式):

◆Lecture time (講演時間) 75 min (分), Q&A time (質疑応答時間) 30 min (分)

◆Lecture style (ex.: used projector, conducted experiments)

(講演方法 (例: プロジェクター使用による講演、実験・実習の有無など))

Used projector and microscope connected with screen

◆Interpretation (ex.: assistance by accompanied person, provided Japanese explanation by yourself) (通訳 (例: 同行者によるサポート、講師本人による日本語説明))

Assistance by accompanied person

◆Name and title of accompanied person (同行者 職・氏名)

Dr. SHIRAKASHI Sho

◆Other note worthy information (その他特筆すべき事項):

Thank for giving me a good experience.

- Impressions and opinions from accompanied person (同行者の方から、本事業に対する意見・感想等がありましたら、お願いいたします。):

高校生を対象とした英語での講義は進路の決定や未来の研究者を育てるためにも大変有意義だと考える。ただ、どうしても英語に対する理解力不足や英語での質疑応答に対する気恥ずかし一方通行的な講義になってしまいがちなので、コミュニケーションが取れるような方法が良いと思う。例えば人数を10人程度に絞って対話的な講義とする。講義時間を短くして、ディスカッションを多くする、スライドだけではなく、簡単な実験等を行う、といった方法もあるのかもしれない。
