- Lecture summary (講義概要): Please summarize your lecture within 200-500 words.

After putting the students in a circle without table, I made a 50 minute ppt explanation on what was light and how it reacted to matter because there were students that came from biology background. After that, I answered questions from the students that were sent to me before the lecture, and ended with an exchange with the students around the lecture with small experiments and other questions they had for me.
