I gave an introductory lecture about fieldwork-based social science research with a country focus on Indonesia. I covered topic such as ethnographic techniques, rural development, challenges of rural livelihood for farming and fishing communities, as well as climate change. I showed a lot of pictures from my fieldwork to help the students better understand my lecture.

◆Other noteworthy information (その他特筆すべき事項):

This time I only focused on one group of students, which allowed me to have a closer interaction with them.
